General Instructions

This form consolidates OMB's Standard Form 424-A (Budget Summary - Non-Construction Programs) and Standard Form 424-C (Budget Summary Construction Programs) into a single Summary Budget for use with HUD competitive program applications.

This form is designed so that an application can be made for any of HUD's grant programs. In preparing the budget, adhere to any existing HUD requirements which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, HUD may require budgets be separately shown by function or activity.

Your budget information should show the entire cost of your proposed program of activities. If you are not doing construction as part of your program, you do not have to complete that information.

NOTE: Not all budget categories on this form are eligible for funding under all programs. Please see eligible activities under the specific program for which you are seeking funding.

Section A. Budget Categories

For each budget category (personnel, fringe benefits, travel, etc.) you should complete the amount of funding you plan on using in your grant program. You should complete each column as follows:
