
Instructions for the Race and Ethnic Data Reporting form (HUD-27061)

A. General Instructions:

This form is intended to be used by two categories of respondents: (1) applicants requesting funding from the Department of Housing and Urban Development (HUD); and (2) organizations who receive HUD Federal financial assistance that are required to report race and ethnic information.

In compliance with OMB direction to revise the standards for collection of racial data, HUD has revised its standards as depicted on this form. The revised standards are designed to acknowledge the growing diversity of the U.S. population. Using the revised standards, HUD offers organizations that are responding to HUD data requests for racial information, the option of selecting one or more of nine racial categories to identify the racial demographics of the individuals and/or the communities they serve, or are proposing to serve. HUD's collection of racial data treats ethnicity as a separate category from race and has changed the terminology for certain racial and ethnic groups from the way it has been requested in the past using two distinct ethnic categories. The revised definitions of ethnicity and race have been standardized across the Federal government and are provided below.

1. The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below.

Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term "Spanish origin" can be used in addition to "Hispanic" or "Latino."

Not Hispanic or Latino. A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

2. The five racial categories as revised by the Office of Management and Budget are defined below:

American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American. A person having origins in any of the black racial groups of Africa. Terms such as "Haitian" or "Negro" can be used in addition to "Black" or "African American."

Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White. A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

Note: The information required to be reported may be collected and submitted to HUD via the use of this form or by other means, such as summary reports or via electronic reporting mechanisms. The primary goal to be achieved is the provision of the summary racial and ethnic data of the population(s) proposed to be served or that is being served by your organization in a consistent manner across all HUD programs.
