VIII. Corrections to Deficient Applications

After the application due date, HUD may not, consistent with its regulations at 24 CFR part 4, subpart B, consider any unsolicited information, you the applicant, may want to provide. HUD may contact you to clarify an item in your application or to correct technical deficiencies. HUD may not seek clarification of items or responses that improve the substantive quality of your

response to the rating factors. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so on a uniform basis for all applicants. Examples of curable (correctable) technical deficiencies include failure to submit the proper certifications or failure to submit an application that contains an original signature by an authorized official. In each case, HUD will notify you in writing of a technical deficiency. HUD will notify applicants by facsimile or by USPS, return receipt requested. Clarifications or corrections of technical deficiencies in accordance with the information requested by HUD must be submitted within 14 calendar days of the date you receive HUD notification. (If the due date falls on a Saturday, Sunday, or federal holiday, your correction must be received by HUD on the next day that is not a Saturday, Sunday, or federal holiday.) The determination of when you received the deficiency letter will be based on the confirmation of the facsimile transmission, return receipt or postal tracking information, as appropriate. If the deficiency is not corrected within this time period, HUD will reject the application as incomplete and it will not be considered for funding.

Unacceptable Applications. After the 14-day technical deficiency correction period, the Grants Management Center (GMC), or the DPONAP for tribal and TDHE applicants, will disapprove all applications that the GMC, or DPONAP determines are not acceptable for processing. The GMC's notification of rejection must state the basis for the decision. The applicant may request a debriefing. Applicants requesting to be debriefed must send a written request to Michael Diggs, Director, Grants Management Center, Department of Housing and Urban Development, 501 School Street, SW., Suite 800, Washington, DC 20024. For tribal and TDHE applicants, contact Deborah Lalancette, Director, Grants Management, DPONAP, 1999 Broadway, Suite 3390, Denver, CO 80202.
