

## Section E. Existing Facilities and/or Activities Serving Homeless

### Persons *(To be completed for new projects only; renewal projects see Exhibit 2R.)*

1. Will your proposed project use an existing homeless facility or incorporate activities that you are currently providing?
  - ☐ Yes (Check one or more of the activities below that describe your proposed project, then proceed to section F.)
  - ☐ No (Skip to section F.)
  
2. Facilities that you are currently operating and activities you are currently undertaking to serve homeless persons may only receive SHP funding for the four purposes listed below. SHP cannot be used to fund ongoing activities. My project will:
  - ☐ Increase the number of homeless persons served.
  - ☐ Provide additional supportive services for residents of supportive housing and/or homeless persons not residing in supportive housing.
  - ☐ Bring existing facilities up to a level that meets State and local government health and safety standards. Please explain.
  - ☐ Replace the loss of nonrenewable funding from private, Federal, or other sources (except from the State or local government), which will cease on or before the end of the current calendar year. By law, no SHP funds may be used to replace State or local government funds previously used, or designated for use, to assist homeless persons [see 24 CFR 583.150(a)].

***If this box is checked, you must fully describe the following in order to be eligible for funding:***

  - a. The source of the nonrenewable funding, indicating that it is not under the control of the State or local government.
  - b. Why it is nonrenewable.
  - c. When it will cease.
  - d. Document the specific steps you took to obtain other funding, why there are no other sources of funding and why, without the SHP assistance, the activity will cease.

## Section F. Number of Beds, Participants, and Supportive Services

Section F is composed of three charts:

**Chart 1** is for recording the number of beds/bedrooms in the project. Do not complete Chart 1 if the project is for supportive services only (SSO).

**Chart 2** is for recording the number of participants to be served. Information on *all* projects should be entered in this section except for dedicated HMIS projects.

**Chart 3** is for recording the supportive services proposed for your homeless clients. Do not include costs for HMIS activities as these costs should be included in Section G.
