

Structure Budget for Projects With More Than One Structure

If your project contains only one structure or no structures, please fill out *only* the project budget on the *previous page*. If, however, your project contains more than one structure, fill out the information requested below for the number of structures your project proposes. Do not fill out structure budgets for scattered site leasing projects unless SHP funds for rehabilitation are being requested. For each structure budget, enter the amount of SHP funds requested by line item in the first column. For leasing, supportive services, and operations, the amounts you enter should be for **two or three years**, which is the SHP grant term. The term you select must be the same for leasing, supportive services, and operations. In the second column, enter the total cost for each line item, which is the SHP request *plus* all other funds needed to pay for each line item, again, for **two or three years**. For your convenience, four structure budgets are provided below. You may reproduce this page if your project will have five or more structures; however, please attach the additional structure budgets to this page and label them appropriately starting with structure E. Enter administrative costs only on the Project Budget.
