

**C. Grant Amount.** In the following chart, show the number of units by size expected to be owned or leased by the sponsor. Multiply the applicable existing FMRs as published in the Federal Register (FR) on September 30, 2002, by the number of units of a given size by 60 months. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002, FR Notice.]

The SRO FMR should be rounded to the nearest whole number before multiplying by the number of units and the number of months. The FMR for each SRO unit is equal to 75 percent of the 0-bedroom FMR. *Complete a separate chart for each jurisdiction that has a different FMR.*
