
EXHIBIT 9 - A description of your project's resources. (Not applicable to commercial properties.)

- (a) Provide a copy of the most recent project Repair and Replacement (R4R) account statement, and an R4R analysis showing plans for its use over the next five years, and any approvals received from the HUD field office to date.
- (b) Provide a copy of the most recent Residual Receipts Account statement. Indicate any approvals for the use of such receipts from the field office for over \$500/unit.
- (c) Provide your annual financial statement (AFS). If your FY 2003 AFS was due to REAC more than 120 days BEFORE the due date for this application, in the interest of reducing work burden, only include the date that it was sent to REAC. If the AFS was due to REAC 120 days or less from the due date of this application, you MUST include a paper copy. For commercial properties, the most recent statement or annual report.
