

remaining. After making the initial selections, however, HUD Program Center Offices may use any residual funds to select the next rank-ordered application by reducing the number of units by no more than 10 percent, rounded to the nearest whole number, provided the reduction will not render the project infeasible. For this purpose, however, HUD will not reduce the number of units in projects of five units or less.

After the HUD Program Center Offices have funded all possible projects based on the process above, residual funds from all HUD Program Center Offices within each Multifamily Hub will be combined. First, these funds will be used to restore units to projects reduced by HUD Program Center Offices based on the above instructions. Second, additional applications within each Multifamily Hub will be selected in rank order with only one application selected per HUD Program Center Office. More than one application may be selected per HUD Program Center Office if there are no approvable applications in other HUD Program Center Offices within the Multifamily Hub. This process will continue until there are no more approvable applications within the Multifamily Hub that can be selected with the remaining funds. Applications may not be skipped over to select one based on funds remaining. However, the HUD Multifamily Hub may use any remaining residual funds to select the next rank-ordered application by reducing the number of units by no more than 10 percent rounded to the nearest whole number, provided the reduction will not render the project infeasible or result in the project being less than 5 units.

Funds remaining after the Multifamily Hub selection process is completed will be returned to Headquarters. HUD Headquarters will use these funds first to restore units to projects reduced by HUD Program Center or Multifamily Hub Offices as a result of the instructions for using their residual funds. Second, HUD Headquarters will use these funds for selecting applications based on HUD Program Center Offices' rankings, beginning with the highest rated application nationwide. Only one application will be selected per HUD Program Center Office from the national residual amount. If there are no approvable applications in other HUD Program Center Offices, the process will begin again with the selection of the next highest rated application nationwide. This process will continue until all approvable applications are selected using the available remaining funds.

Headquarters may skip over a higher rated application in order to use as much of the available remaining funds as possible.

(D) *Factors For Award Used To Evaluate and Rate Applications.* HUD will rate applications that successfully complete technical processing using the Rating Factors set forth below and in accordance with the application submission requirements in Appendix A of this program section of the SuperNOFA. The maximum number of points an application may receive under this program is 102. This includes two (2) RC/EZ/EC bonus points, as described in the General Section of this SuperNOFA.

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (30 Points)

This factor addresses the extent to which you have the organizational resources to successfully implement the proposed activities in a timely manner. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 2, 3(a), 3(b), 3(e), and 6 of Appendix A to this program section of the SuperNOFA.

In rating this factor, HUD will consider the extent to which your application demonstrates your ability to develop and operate the proposed housing on a long-term basis, considering the following:

(a) (15 points) The scope, extent, and quality of your experience in providing housing or related services to those proposed to be served by the project and the scope of the proposed project (i.e., number of units, services, relocation costs, development, and operation) in relationship to your demonstrated development and management capacity as well as your financial management capability;

(b)(i) (5 points) The scope, extent, and quality of your experience in providing housing or related services to minority persons or families.

(b)(ii) (5 points) The scope, extent, and quality of your ties to the community at large and to the minority and disability communities in particular.

For the purpose of this program section of the SuperNOFA, the term "minority" encompasses the basic racial and ethnic categories for federal statistics and administrative reporting, as defined in the General Section of the SuperNOFA in the section entitled "Race and Ethnicity."

To earn the maximum number of points under this subcriteria, you must describe both your relationships over time with the minority community and

significant previous experience in providing housing and/or supportive services to minorities generally and to minority persons with disabilities, in particular. For the purpose of this competition, "significant previous experience" means that the previous housing assistance or related services to minorities, i.e., the percentage of minorities being provided housing or related services in your current developments, was equal to or greater than the percentage of minorities in the jurisdiction where the previous housing or services occurred.

(c) (– 2 to – 4 points) HUD will deduct (except if the delay was beyond your control) 2 points if a fund reservation you received under either the Section 811 program of Supportive Housing for Persons with Disabilities or the Section 202 program of Supportive Housing for the Elderly has been extended beyond 24 months, 3 points if beyond 36 months, and 4 points if beyond 48 months. Examples of delays beyond your control include, but are not limited to, initial closing delays that are: (1) Directly attributable to HUD, (2) directly attributable to third party opposition, including litigation, and (3) due to a disaster, as declared by the President of the United States.

(d) (– 1 point) HUD will deduct 1 point if amendment money was required as a result of the delay (except if the delay was beyond your control).

(e) (5 points) You have experience in developing integrated housing (e.g., condominium units scattered within one or more buildings or non-contiguous independent living units on scattered sites) and/or the proposed project will be an integrated housing model.

Rating Factor 2: Need/Extent of the Problem (15 Points)

This factor addresses the extent to which there is a need for funding the proposed activities to address a documented problem in the target area. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 4(a) and 4(b) of Appendix A of this program section of the SuperNOFA. HUD will consider the following in evaluating this factor:

The extent of the need for the project in the area based on a determination by the HUD Office. In making this determination, HUD will consider your evidence of need in the area, as well as other economic, demographic, and housing market data available to the HUD Office. The data should include a general assessment of the current conditions in the market for the type of
