

for South Atlantic rock shrimp, the owner of a vessel that had a permit for South Atlantic rock shrimp during the qualifying period retains the rock shrimp landings record of that vessel during the time of his/her ownership, unless, prior to January 16, 2003, a sale of the vessel includes a written agreement that credit for qualifying landings is transferred to the new owner. Qualifying landings are landings of at least 15,000 lb (6,804 kg) of rock shrimp harvested from the South Atlantic EEZ in any one of the calendar years 1996 through 2000. Such transfer of credit must be for the vessel's entire record of landings of rock shrimp from the South Atlantic during the time of the seller's ownership; no partial transfers are allowed.

(d) *Implementation procedures*—(1) *Notification of status.* On or about March 17, 2003, the RA will notify each owner of a vessel that had a permit for South Atlantic rock shrimp on or before December 31, 2000, and each owner of a vessel currently permitted for South Atlantic rock shrimp, of the RA's initial determination of eligibility for a limited access endorsement for South Atlantic rock shrimp. The notification will include a determination regarding the 15,000-lb (6,804-kg) threshold level for the endorsement. If the landings in the combined state and Federal databases do not meet the 15,000-lb (6,804-kg) threshold for any of the qualifying years, the landings in each of the qualifying years, as shown in those databases, will be included. Each notification will include an application for such endorsement. Addresses for notifications will be based on the RA's permit records. Each owner of a vessel that had a permit for South Atlantic rock shrimp on or before December 31, 2000, and each owner of a currently permitted vessel, who does not receive notification by April 1, 2003 must advise the RA of non-receipt within 15 days thereafter.

(2) *Applications.* (i) An owner of a vessel who desires a limited access endorsement for South Atlantic rock shrimp must submit an application for such endorsement postmarked or hand-delivered not later than May 16, 2003. Failure to apply in a timely manner will preclude issuance of an endorsement even if the vessel owner meets the eligibility criteria for the endorsement.

(ii) An applicant who agrees with the RA's initial determination of eligibility does not need to provide documentation of eligibility with his/her application.

(iii) An applicant who disagrees with the RA's initial determination of eligibility must provide documentation of eligibility with his/her application.

Such documentation must include the name and official number of the vessel permitted for South Atlantic rock shrimp and the dates, quantities, trip tickets, and purchasing dealers for specific landings claimed for the vessel. In addition, if an owner's application for a limited access endorsement is based on qualifying landings that were transferred to him/her through a written agreement, as discussed in paragraph (c)(2)(iii) of this section, the application must be accompanied by a copy of that agreement and a statement of the cost associated with obtaining the catch history. Documentation and other information submitted on or with an application are subject to verification by comparison with state or Federal records and information. If such documentation and information cannot be verified from state or Federal records and information, the documentation and other information will be rejected. Submission of false documentation or information may disqualify an owner from obtaining an initial limited access endorsement for South Atlantic rock shrimp and is a violation of the regulations in this part.

(iv) If an application that is postmarked or hand delivered in a timely manner is incomplete, the RA will notify the applicant of the deficiency. If the applicant fails to correct the deficiency within 20 days of the date of the RA's notification, the application will be considered abandoned.

(3) *Issuance.* If a complete application is submitted in a timely manner and the eligibility requirements specified in paragraph (b) of this section are met, the RA will take action as follows:

(i) If a qualified applicant owns a vessel that has a valid permit for South Atlantic rock shrimp, the RA will issue an initial limited access endorsement for South Atlantic rock shrimp and mail it to the vessel owner prior to July 15, 2003.

(ii) If a qualified applicant does not currently own a vessel, the RA will inform him/her of qualification, but no endorsement will be issued. Such qualified applicant must apply for a permit and endorsement for a vessel that he/she owns, or transfer the rights to the endorsement to an owner of a vessel, prior to July 15, 2005. After that date, the rights to an initial limited access endorsement for South Atlantic rock shrimp that were based on the qualification will expire. A qualified applicant who desires to transfer the rights to an initial endorsement to the owner of a vessel must submit an application requesting such transfer to the RA. Such transfer of rights will

include transfer of credit for the vessel's entire record of landings of rock shrimp from the South Atlantic during the time of the qualified applicant's ownership.

(4) *Reconsideration.* (i) If the eligibility requirements specified in paragraph (b) of this section are not met, the RA will notify the applicant, in writing, not later than July 16, 2003. The notification will include the reason for the determination that the eligibility requirements were not met. An applicant may request reconsideration of the RA's determination regarding initial endorsement eligibility by submitting a written request for reconsideration to the RA. Such request must be postmarked or hand-delivered not later than September 15, 2003 and must provide additional written documentation supporting eligibility for the endorsement.

(ii) Upon receipt of a request for reconsideration, the RA will forward the initial application, the RA's response to that application, the request for reconsideration, and pertinent records to an Application Oversight Board consisting of state directors (or their designees) from each state in the Council's area of jurisdiction. Upon request, a vessel owner may make a personal appearance before the Application Oversight Board.

(iii) If reconsideration by the Application Oversight Board is requested, such request constitutes the applicant's written authorization under section 402(b)(1)(F) of the Magnuson-Stevens Act for the RA to make available to the members of the Application Oversight Board such confidential catch and other records as are pertinent to the matter under reconsideration.

(iv) The Application Oversight Board may only deliberate whether the eligibility criteria specified in paragraph (b) of this section were applied correctly in the applicant's case, based solely on the available record, including documentation submitted by the applicant. The Application Oversight Board may not consider whether an applicant should have been eligible for a vessel permit because of hardship or other factors. The Application Oversight Board members will provide individual recommendations for each application for reconsideration to the RA.

(v) The RA will make a final decision based on the eligibility criteria specified in paragraph (b) of this section and the available record, including documentation submitted by the applicant, and the recommendations and comments from members of the Application Oversight Board. The RA may not consider whether an applicant
