

EXHIBIT 4 - Need and Project Information

- (a) Evidence of need for supportive housing.

202

Include a description of the category or categories of elderly persons the housing is intended to serve and evidence demonstrating sustained effective demand for supportive housing for that population in the market area to be served, taking into consideration the occupancy and vacancy conditions in existing Federally assisted housing for the elderly (HUD and the Rural Housing Service (RHS)) e.g., public housing), State or local data on the limitations in activities of daily living among the elderly in the area; aging in place in existing assisted rentals; trends in demographic changes in elderly population and households; the numbers of income eligible elderly households by size, tenure and housing condition; the types of supportive services arrangements currently available in the area; and the use of such services as evidenced by data from local social service agencies or agencies on aging. Also, a description of how information in the community's Analysis of Impediments to Fair Housing Choice was used in documenting the need for the project.

811

Include a description of the proposed population and evidence demonstrating sustained effective demand for supportive housing for the proposed population in the market area to be served, taking into consideration the occupancy and vacancy conditions in existing comparable subsidized housing for persons with disabilities, State or local needs assessments of persons with disabilities in the area, the types of supportive services arrangements currently available in the area, and the use of such services as evidenced by data from local social service agencies. Also, a description of how information in the community's Analysis of Impediments to Fair Housing Choice was used in documenting the need for the project.
