

OMB Approval No. 0938-0685

**SPECIAL TYPES OF ORGANIZATIONS**

**Governmental/Tribal Organizations:** If a Federal, State, county, city or other level of government, or an Indian tribe, will be legally and financially responsible for Medicare payments received (including any potential overpayments), the name of that government or Indian tribe should be reported as an owner. The supplier must submit a letter on the letterhead of the responsible government (e.g., government agency) or tribal organization, which attests that the government or tribal organization will be legally and financially responsible in the event that there is any outstanding debt owed to CMS. This letter must be signed by an "authorized official" of the government or tribal organization who has the authority to legally and financially bind the government or tribal organization to the laws, regulations, and program instructions of Medicare. See Section 14 for further information on and a definition of "authorized officials."

**Charitable and Religious Organizations:** Many non-profit organizations are charitable or religious in nature, and are operated and/or managed by a Board of Trustees or other governing body. The actual name of the Board of Trustees or other governing body should be reported in this section.

- C. Adverse Legal History** - This section is to be completed with information concerning any adverse legal actions that have been imposed or levied against the organization(s) reported in this section. See Table A in Section 3 of the application form for a list of adverse actions that must be reported.

If reporting a change to existing information, check "Change," provide the effective date of the change, complete the appropriate fields in this section, and sign and date the certification statement. Otherwise:

1. The supplier must state whether the organization reported in Section 5B, under any current or former name or business identity, has ever had any of the adverse legal actions listed in Section 3 (Table A) of this form imposed against it.
2. If the answer to this question is "Yes," supply all requested information. Attach copies of official documentation related to the adverse legal action. Such documentation includes adverse legal action notifications (e.g., notification of disciplinary action; criminal court documentation that verifies the conviction of a crime) and documents that evidence how the adverse legal action was finally resolved (e.g., reinstatement notices, etc.).

If the supplier is uncertain as to whether the owning or managing organization falls within one of the adverse legal action categories, the supplier should query the Healthcare Integrity and Protection Data Bank. If the supplier needs information on how to access the data bank, call 1-800-767-6732 or visit [www.npdb-hipdb.com](http://www.npdb-hipdb.com).
