OMB Approval No. 0938-0685**SPECIAL REPORTING REQUIREMENTS**

To change authorized officials, the supplier must:

- Check the “Delete” box in Section 15B,
- Provide the effective date of the deletion, and
- Have the authorized official being deleted provide his/her printed name, signature, and date of signature.

**NOTE:** If the current authorized official’s signature is unattainable (e.g., person has left the company), the Medicare contractor may request documentation verifying that the person is no longer the authorized official.

To then add a new authorized official, the supplier must:

- Copy the page containing the Certification Statement,
- Check the “Add” box in Section 15B and provide the effective date of the addition,
- Have the new authorized official provide the information requested in 15B, and
- Have the new authorized official provide his/her signature and date of signature.

By signing his or her name, the new authorized official assumes from the prior authorized official all of the powers (e.g., the power to delegate authority to a delegated official, etc.) previously held by the latter, and also agrees to adhere to all Medicare requirements, including those outlined in Sections 15A and 15B of the Certification Statement. However, a change of the authorized official has no bearing on the authority of existing delegated officials to make changes and/or updates to the supplier’s status in the Medicare program.

If the supplier is reporting a change of information about the current authorized official (e.g., change in job title), this section should be completed as follows:

- Check the box to indicate a change and furnish the effective date,
- Provide the new information, and
- Have the authorized official sign and date this section.
