SECTION 9: FOR FUTURE USE

This section is being reserved for possible future use.

SECTION 10: STAFFING COMPANY

A staffing company is an organization that contracts with health care professionals to furnish health care at medical facilities (such as hospital emergency rooms) where it is also under contract (or some similar agreement) to furnish such services. A staffing company cannot bill Medicare in the staffing company's name for medical services or supplies furnished under this arrangement. If you have an agreement/contract with a staffing company to furnish services to Medicare beneficiaries, complete this section. At any time, the carrier can request a copy of the agreement/contract signed by you and the staffing company.

A. Check Box - If you do not work for (or do not contract with) a staffing company, check this box and skip to Section 13.

B. Staffing Company Name and Address - Indicate if you are "adding," "deleting," or "making a change," concerning your relationship with an existing staffing company by checking the appropriate box. Provide the new information and the effective date of the change, and sign and date the certification statement. Otherwise:

1. Furnish the legal business name and tax identification number of the staffing company.
2. If applicable, furnish the staffing company's "doing business as" (DBA) name. If the reported staffing company uses more than one DBA name with you, report all that apply for Medicare claims.
3. Furnish the complete mailing address, telephone number, fax number and e-mail address for the staffing company.

C. Staffing Company Contract/Agreement Information

Respond to the questions asked in this section to indicate that you fully understand and comprehend your contract with the staffing company and that you plan to adhere to all Medicare laws, regulations, and program instructions. At any time, the carrier can request a copy of the agreement/contract signed by you and the staffing company.
