- Check the appropriate boxes indicating which documents are being submitted with this application.

NOTE: Any licenses (both business and professional) that are needed to operate this business in the State where the enrolling DMEPOS supplier business is located as reported in section 4A **must** be included with this application.

All enrolling DMEPOS suppliers are required to furnish information on all Federal, State and local (city/county) professional and business licenses, certifications and/or registrations required to practice as a DMEPOS supplier in DMEPOS supplier's State of business location as reported in section 4A (e.g., Federal Drug Enforcement Agency (DEA) number for pharmacies, business occupancy license, local business license, etc.). The NSC will supply specific licensing requirements for a DMEPOS supplier upon request.

In lieu of copies of the above requested documents, the enrolling DMEPOS supplier may submit a notarized Certificate of Good Standing from the DMEPOS supplier's business location State licensing/certification board or other medical associations. This certification cannot be more than 30 days old.

If the enrolling DMEPOS supplier has had a previously revoked or suspended license, certification, or registration reinstated, attach a copy of the reinstatement notice with this application.
