

with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Amex Rules 26, 29, 171, and 950 to revise specialist capital requirements and the method for computing specialist capital requirements, and to create an early warning level with respect to specialist capital. The proposed rule change was published for comment in the **Federal Register** on March 14, 2003.³ The Commission received no comments on the proposal.

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁴ Specifically, the Commission finds that the proposal is consistent with section 6(b)(5) of the Act,⁵ which requires, among other things, that the Amex's rules be designed to prevent fraudulent and manipulative acts and practices, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission believes that the Amex's proposal to modify the specialist capital requirements and the specialist capital computation method should provide an accurate measure of a specialist's financial strength. In addition, the Commission believes that creating an "early warning level" should allow the Amex to take appropriate action with respect to a specialist's financial condition before the specialist falls out of compliance with capital requirements.

The Commission notes that the rule change will not take effect until one year after approval by the Commission in order to give specialist firms sufficient time to adjust to the new requirements.

It is therefore Ordered, pursuant to section 19(b)(2) of the Act⁶, that the

proposed rule change (File No. SR-Amex-2002-104) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Assistant Secretary.

[Release No. 34-47702; File No. SR-Amex-2002-105]

Self-Regulatory Organizations; Order Granting Approval to Proposed Rule Change and Amendment No. 1 Thereto by the American Stock Exchange LLC To Amend Amex Rule 17 To Provide for "Cash" in Addition to "Next Day" Settlement of Transactions in Rights and Warrants During the Trading Days Prior to Expiration

April 18, 2003.

On December 12, 2002, the American Stock Exchange LLC ("Amex") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Amex Rule 17 to provide for "cash" in addition to "next day" settlement of transactions in rights and warrants during the trading days prior to expiration. The Amex filed an amendment to the proposed rule change on January 23, 2003.

The proposed rule change, as amended, was published for comment in the **Federal Register** on March 13, 2003.³ The Commission received no comments on the proposed rule change.

After careful review, the Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁴ Specifically, the Commission finds that the proposal, as amended, is consistent with section 6(b)(5) of the Act,⁵ which requires, among other things, that the Amex's rules be designed to prevent fraudulent and manipulative acts and

practices, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, and, in general, to protect investors and the public interest. The Commission believes that permitting "cash" settlement of rights and warrants transactions should provide the Amex's members with an appropriate amount of flexibility in settling such transactions.

It is therefore Ordered, pursuant to section 19(b)(2) of the Act,⁶ that the proposed rule change and Amendment No. 1 (File No. SR-Amex-2002-105) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷
