

basis of their analyses and discussions, the Committee may make recommendations to the Secretary concerning diseases that are the result of exposure to ionizing radiation. The agenda for the second day will include planning future Committee activities and assignment of tasks among the members.

Those who wish to attend should contact Ersie Farber-Collins of the Department of Veterans Affairs, Compensation and Pension Service, 810 Vermont Avenue, NW., Washington, DC 20420, prior to June 3, 2003. Ms. Farber-Collins may also be reached at 202-273-7268.

Members of the public may submit written questions or prepared statements for review by the Committee in advance of the meeting. Submitted material must be received at least five (5) days prior to the meeting and should be sent to Ms. Farber-Collins' attention at the address given above. Those who submit material may be asked to clarify it prior to its consideration by the Committee.

Dated: April 21, 2003.

By Director of the Secretary.

## **DEPARTMENT OF VETERANS AFFAIRS**

### **Scientific Review and Evaluation Board for Health Services Research and Development Service, Notice of Meeting**

The Department of Veterans Affairs (VA) gives notice under Public Law 92-463 (Federal Advisory Committee Act) that a meeting of the Scientific Review and Evaluation Board for Health Services Research and Development Service will be held at the Sheraton Nashville Downtown Hotel, 623 Union Street, Nashville, TN 37217, from June 24-26, 2003. On June 24, the Nursing Research Initiative (NRI) and the Service Directed Projects (SDP) reviews will convene concurrently from 8 a.m. until 3 p.m. The Investigator Initiated Research (IIR) review will convene from 7 p.m. until 9 p.m. on June 24; 8 a.m. until 5 p.m. on June 25; and from 8 a.m. until 4 p.m. on June 26.

The purpose of the Board is to review research and development applications concerned with the measurement and evaluation of health care services and with testing new methods of health care delivery and management, and nursing research. Applications are reviewed for scientific and technical merit. Recommendations regarding funding are prepared for the Chief Research and Development Officer.

On June 24, the meeting will be open to the public for approximately one half-hour from 7 p.m. until 7:30 p.m. to

cover administrative matters and to discuss the general status of the program. The closed portion of the meeting involves discussion, examination, reference to, and oral review of staff and consultant critiques of research protocols and similar documents. During this portion of the meeting, discussion and recommendations will include qualifications of the personnel conducting the studies (the disclosure of which would constitute a clearly unwarranted invasion of personal privacy), as well as research information (the premature disclosure of which would be likely to frustrate significantly the implementation of proposed agency action regarding such research projects).

As provided by subsection 10(d) of Public Law 92-463, as amended by Public Law 94-409, closing portions of these meetings is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

Those who plan to attend the open session should contact the Assistant Director, Scientific Review (124F), Health Services Research and Development Service, Department of Veterans Affairs, 1722 Eye Street, NW., Washington, DC, at least five days before the meeting. For further information, call (202) 254-0207.

Dated: April 18, 2003.

By Direction of the Secretary.
