Norteno Pipeline Company and OkTex
Pipeline Company; Notice of
Application

April 24, 2003.

Take notice that on April 15, 2003, Norteno Pipeline Company (Norteno) and OkTex Pipeline Company (OkTex), both located at 100 West Fifth Street, Tulsa, Oklahoma 74103, filed with the Federal Energy Regulatory Commission (Commission) in Docket No. CP03-100-000, an application pursuant to Section 3 of the Natural Gas Act (NGA) and part 153 of the Commission's regulations for authorization permitting OkTex to succeed to all of Norteno's existing authorizations to operate border crossing facilities for the import and export of natural gas, as more fully described in the application. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll-free at (866) 208-3676, or for TTY, contact (202) 502-8659.

On March 31, 2003, Applicants filed a related application, in Docket No. CP03-76-000 requesting authorization for Norteno to abandon and OkTex to acquire Norteno's interstate facilities including three pipelines that cross the United States/Mexico International Boundary line at El Paso Texas (Del Norte facilities). Norteno and OkTex state that they are both wholly owned subsidiaries of ONEOK, Inc. and the transfer of facilities is said to be in the nature of a corporate restructuring. Accordingly, Applicants herein seek succession by OkTex to Norteno's Section 3 authority. Applicants state that they do not seek any change in the terms and conditions of Norteno's existing import and export authority apart from the succession of OkTex as the holder of that authority.

On April 15, 2003, Applicants filed another related application in Docket No. CP03-99-000 to allow OkTex to also succeed to Norteno's Presidential Permit related to the transferred border crossing facilities.
