

programming, and for such non-music channels and stations, \$0.00078 (0.078¢) per Aggregate Tuning Hour.

(2) *Subscription Services.* For their operation of Subscription Services, Licensees shall, at their election as provided in paragraph (b) of this section, pay at one of the following rates:

(i) *Per Performance Option.* \$0.000762 (0.0762¢) per Performance for all digital audio transmissions, except that 4% of Performances shall bear no royalty to approximate the number of partial Performances of nominal duration made by a Licensee due to, for example, technical interruptions, the closing down of a media player or channel switching; Provided that this provision is not intended to imply that permitting users of a service to “skip” a recording is or is not permitted under section 114(d)(2). For the avoidance of doubt, this 4% exclusion shall apply to all Licensees electing this payment option irrespective of the Licensee’s actual experience in respect of partial Performances.

(ii) *Aggregate Tuning Hour Option.* \$0.0117 (1.17¢) per Aggregate Tuning Hour for all channels and stations of the Subscription Service except channels and stations where substantially all the programming consists of non-music programming, such as news, talk, sports and business programming, and for such non-music channels and stations, \$0.00078 (0.078¢) per Aggregate Tuning Hour.

(iii) *Percentage of Subscription Service Revenues Option.* 10.9% of Subscription Service Revenues, but in no event less than 27¢ per month for each person who subscribes to the Subscription Service for all or any part of the month or to whom the Subscription Service otherwise is delivered by Licensee without a fee (e.g., during a free trial period), subject to the following reduction associated with the transmission of directly licensed sound recordings (if applicable). For any given payment period, the fee due from Licensee shall be the amount calculated under the formula described in the immediately preceding sentence multiplied by the following fraction: the total number of Performances (as defined under § 262.2(i), which excludes directly licensed sound recordings) made by the Subscription Service during the period in question, *divided by* the total number of digital audio transmissions of sound recordings made by the Subscription Service during the period in question (inclusive of Performances and equivalent transmissions of directly licensed sound recordings). Any

Licensee paying on such basis shall report to the Designated Agent on its statements of account the pertinent music use information upon which such reduction has been calculated. This option shall not be available to a Subscription Service where:

(A) A particular computer software product or other access device must be purchased for a separate fee from the Licensee as a condition of receiving transmissions of sound recordings through the Subscription Service, and the Licensee chooses not to include sales of such software product or other device to subscribers as part of Subscription Service Revenues in accordance with § 262.2(1)(3), or

(B) The consideration paid or given to receive the Subscription Service also entitles the subscriber to receive or have access to material, products or services other than the Subscription Service (for example, as in the case of a “bundled service” consisting of access to the Subscription Service and also access to the Internet in general). In all events, in order to be eligible for this payment option, a Licensee may not engage in pricing practices whereby the Subscription Service is offered to subscribers on a “loss leader” basis or whereby the price of the Subscription Service is materially subsidized by payments made by the subscribers for other products or services.

(b) *Election process.* A Licensee shall elect the particular Nonsubscription Service and/or Subscription Service royalty rate categories it chooses (that is, among paragraphs (a)(1)(i) or (ii) of this section and/or paragraphs (a)(2)(i), (ii) or (iii) of this section) for the License Period by no later than the date 30 days after these rates and terms are adopted by the Librarian of Congress and published in the **Federal Register**. Notwithstanding the preceding sentence, where a Licensee has not previously provided a Nonsubscription Service or Subscription Service, as the case may be, the Licensee may make its election by no later than thirty (30) days after the new service first makes a digital audio transmission of a sound recording under the section 114 statutory license. Each such election shall be made by notifying the Designated Agent in writing of such election, using an election form provided by the Designated Agent. A Licensee that fails to make a timely election shall pay royalties as provided in paragraphs (a)(1)(i) and (a)(2)(i) of this section, as applicable. Notwithstanding the foregoing, a Licensee eligible to make royalty payments under an agreement entered into pursuant to the Small Webcaster

Settlement Act of 2002 may elect to make payments under such agreement as specified in such agreement.

(c) *Ephemeral Recordings.* The royalty payable under 17 U.S.C. 112(e) for any reproduction of a phonorecord made by a Licensee during the License Period, and used solely by the Licensee to facilitate transmissions for which it pays royalties as and when provided in this section and § 262.4 shall be deemed to be included within, and to comprise 8.8% of, such royalty payments.

(d) *Minimum fee.* Each Licensee shall pay a minimum fee of \$2,500 for each calendar year in which it makes eligible nonsubscription transmissions, noninteractive digital audio transmissions as part of a new subscription service or Ephemeral Recordings for use to facilitate such transmissions, whether or not it does the foregoing for all or any part of the year; except that the minimum annual fee for a Licensee electing to pay under paragraph (a)(2)(iii) of this section shall be \$5,000. This minimum fee shall be nonrefundable, but it shall be fully creditable to royalty payments due under paragraph (a) of this section for the same calendar year (but not any subsequent calendar year).

(e) *Continuing Obligation.* For the limited purpose of the period immediately following the License Period, and on an entirely without prejudice and nonprecedential basis relative to other time periods and proceedings, if successor statutory royalty rates for Licensees for the period beginning January 1, 2005, have not been established by January 1, 2005, then Licensees shall pay to the Designated Agent, effective January 1, 2005, and continuing for the period through April 30, 2005, or until successor rates and terms are established, whichever is earlier, an interim royalty pursuant to the same rates and terms as are provided for the License Period. Such interim royalties shall be subject to retroactive adjustment based on the final successor rates. Any overpayment shall be fully creditable to future payments, and any underpayment shall be paid within thirty days after establishment of the successor rates and terms, except as may otherwise be provided in the successor terms. If there is a period of such interim payments, Licensees shall elect the particular royalty rate categories it chooses for the interim period as described in paragraph (b) of this section, except that the election for a service that is in operation shall be made by no later than January 15, 2005.

(f) *Other royalty rates and terms.* This Part 262 does not apply to persons or
