Regulatory Flexibility Act Certification

Pursuant to section 605(b) of the Regulatory Flexibility Act, 5 U.S.C. 605(b), the Federal Labor Relations Authority has determined that these regulations, as amended, will not have a significant economic impact on a substantial number of small entities, because they apply to federal employees, Federal agencies, and labor organizations representing Federal employees.

Unfunded Mandates Reform Act of 1995

These regulatory changes will not result in the expenditure by state, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

These rules are not major rules as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996.
