

Economic Mission (February 10, 2003). On February 14, 2003, we received a rebuttal brief from domestic interested parties Bethlehem Steel Corporation and United States Steel Corporation. *See* Rebuttal Brief from Bethlehem Steel Corporation and United States Steel Corporation (February 14, 2003).

#### Scope of Review:

The products covered by the sunset review of the suspended antidumping duty investigation on certain cut-to-length carbon steel plate from Ukraine include hot-rolled iron and non-alloy steel universal mill plates (i.e., flat-rolled products rolled on four faces or in a closed box pass, of a width exceeding 150 mm but not exceeding 1250 mm and of a thickness of not less than 4 mm, not in coils and without patterns in relief), of rectangular shape, neither clad, plated nor coated with metal, whether or not painted, varnished, or coated with plastics or other nonmetallic substances; and certain iron and non-alloy steel flat-rolled products not in coils, of rectangular shape, hot-rolled, neither clad, plated, nor coated with metal, whether or not painted, varnished, or coated with plastics or other nonmetallic substances, 4.75 mm or more in thickness and of a width which

exceeds 150 mm and measures at least twice the thickness. Included as subject merchandise in this review are flat-rolled products of nonrectangular cross-section where such cross-section is achieved subsequent to the rolling process (i.e., products which have been "worked after rolling") for example, products which have been beveled or rounded at the edges. This merchandise is currently classified in the Harmonized Tariff Schedule of the United States ("HTS") under item numbers 7208.40.3030, 7208.40.3060, 7208.51.0030, 7208.51.0045, 7208.51.0060, 7208.52.0000, 7208.53.0000, 7208.90.0000, 7210.70.3000, 7210.90.9000, 7211.13.0000, 7211.14.0030, 7211.14.0045, 7211.90.0000, 7212.40.1000, 7212.40.5000, 7212.50.0000. Although the HTS subheadings are provided for convenience and customs purposes, the written description of the scope of this sunset review is dispositive. Specifically excluded from subject merchandise within the scope of this sunset review is grade X-70 steel plate.

#### Analysis of Comments Received:

All issues raised by parties to this sunset review are addressed in the Issues and Decision Memorandum

("Decision Memorandum") from Jeffrey A. May, Director, Office of Policy, Import Administration, to Joseph A. Spetrini, Acting Assistant Secretary, Import Administration, dated May 1, 2003, which is hereby adopted by this notice. The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail were the suspended antidumping duty investigation to be terminated. Parties may find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit, room B-099, of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>, under the heading "May 2003." The paper copy and electronic version of the Decision Memorandum are identical in content.

#### Final Results of Review:

We determine that termination of the suspended antidumping duty investigation on CTL plate from Ukraine would likely lead to a continuation or recurrence of dumping at the following percentage weighted-average margins:

Manufacturer/producer/exporter	Weighted-average margin percentage
Azovstal .....	81.43
Ilyich .....	155.00
Ukraine-wide .....	237.91

This sunset review and notice are in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: May 1, 2003.

#### **Certain Large Diameter Carbon and Alloy Seamless Standard, Line and Pressure Pipe from Mexico: Extension of Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** May 7, 2003.

#### **FOR FURTHER INFORMATION CONTACT:** FOR FURTHER INFORMATION CONTACT:

Mark Young or George McMahon at (202) 482-6397 or (202) 482-1167, respectively, Office of AD/CVD Enforcement VI, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW, Washington, DC 20230.

#### **TIME LIMITS:**

##### **Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce (the Department) to issue the preliminary results of a review within 245 days after the last day of the anniversary month of an order or finding for which a review is requested, and the final results within 120 days after the date on which the preliminary results are published. However, if it is

not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of the publication of the preliminary results.

#### **Background**

On August 6, 2002, the Department of Commerce ("the Department") published in the **Federal Register** the notice of "Opportunity to Request Administrative Review" of the antidumping duty order on certain large diameter carbon and alloy seamless standard, line, and pressure pipe ("SLP") from Mexico, for the period August 1, 2001 through July 31, 2002 (67 FR 50856). On August 30, 2002, we
