

responsibilities among the various levels of government.

List of Subjects in 32 CFR Part 806b

Privacy.

■ Accordingly, 32 CFR part 806b is amended to read as follows:

PART 806b—AIR FORCE PRIVACY ACT PROGRAM

■ 1. The authority citation for 32 CFR part 806b continues to read as follows:

Authority: Pub. L. 93–579, 88 Stat. 1896 (5 U.S.C. 552a).

■ 2. Appendix C to part 806b, is amended by adding paragraph (b)(23) to read as follows:

Appendix C to Part 806b—General and specific exemptions

* * * * *

(b) *Specific exemptions.* * * *

(23) *System identifier and name:* F031 DoD A, Joint Personnel Adjudication System.

(i) *Exemption:* (1) Investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for federal civilian employment, military service, federal contracts, or access to classified information may be exempt pursuant to 5 U.S.C. 552a(k)(5), but only to the extent that such material would reveal the identity of a confidential source.

(2) Therefore, portions of this system may be exempt pursuant to 5 U.S.C. 552a(k)(5) from the following subsections of 5 U.S.C. 552a(c)(3), (d), and (e)(1).

(ii) *Authority:* 5 U.S.C. 552a(k)(5).

(iii) *Reasons:* (A) From subsection (c)(3) and (d) when access to accounting disclosures and access to or amendment of records would cause the identity of a confidential source to be revealed. Disclosure of the source's identity not only will result in the Department breaching the promise of confidentiality made to the source but it will impair the Department's future ability to compile investigatory material for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, Federal contracts, or access to classified information. Unless sources can be assured that a promise of confidentiality will be honored, they will be less likely to provide information considered essential to the Department in making the required determinations.

(B) From (e)(1) because in the collection of information for investigatory purposes, it is not always possible to determine the relevance and necessity of particular information in

the early stages of the investigation. In some cases, it is only after the information is evaluated in light of other information that its relevance and necessity becomes clear. Such information permits more informed decision-making by the Department when making required suitability, eligibility, and qualification determinations.

Dated: April 28, 2003.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001–08–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[CGD01–03–038]

Drawbridge Operation Regulations: Hackensack River, NJ

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the drawbridge operation regulations for the NJTRO HX Bridge, mile 7.7, across the Hackensack River at Secaucus, New Jersey. Under this temporary deviation the bridge may remain closed from 6 a.m. on May 10, 2003, through 5 p.m. on May 11, 2003, and from 6 a.m. on May 17, 2003, through 5 p.m. on May 18, 2003. This temporary deviation is necessary to facilitate structural repairs at the bridge.

DATES: This deviation is effective from May 10, 2003, through May 18, 2003.

FOR FURTHER INFORMATION CONTACT: Joe Arca, Project Officer, First Coast Guard District, at (212) 668–7165.

SUPPLEMENTARY INFORMATION: The NJTRO HX Bridge has a vertical clearance in the closed position of 4 feet at mean high water and 9 feet at mean low water. The existing drawbridge operation regulations are listed at 33 CFR 117.723(5)(e).

The bridge owner, New Jersey Transit Operation (NJTRO), requested a temporary deviation from the drawbridge operation regulations to facilitate necessary maintenance, the replacement of timber railroad ties on the moveable span. The bridge must remain in the closed position to perform these repairs.

The Coast Guard coordinated this closure with the mariners who normally use this waterway to help facilitate this necessary bridge repair and to minimize any disruption to the marine transportation system.

Under this temporary deviation the NJTRO HX Bridge may remain in the closed position from 6 a.m. on May 10, 2003, through 5 p.m. on May 11, 2003, and from 6 a.m. on May 17, 2003, through 5 p.m. on May 18, 2003.

This deviation from the operating regulations is authorized under 33 CFR § 117.35, and will be performed with all due speed in order to return the bridge to normal operation as soon as possible.

Dated: April 28, 2003.

John L. Grenier,

Captain, U.S. Coast Guard, Acting Commander, First Coast Guard District.
