

listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the services to the Government.

2. If approved, the action will result in authorizing small entities to furnish the services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with the services proposed for addition to the Procurement List. Comments on this certification are invited.

Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

The following services are proposed for addition to Procurement List for production by the nonprofit agencies listed:

#### Services

## DEPARTMENT OF COMMERCE

### Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* U.S. Census Bureau.

*Title:* Manufacturers' Shipments, Inventories, and Orders (M3) Survey.

*Form Number(s):* M–3(SD).

*Agency Approval Number:* 0607–0008.

*Type of Request:* Extension of a currently approved collection.

*Burden:* 14,000 hours.

*Number of Respondents:* 3,500.

*Avg Hours Per Response:* 20 minutes.

*Needs and Uses:* The U.S. Census Bureau is requesting an extension of the currently approved collection for the Manufacturers' Shipments, Inventories, and Orders (M3) survey. This survey collects monthly data from domestic manufacturers on Form M–3 (SD), which is mailed at the end of each month. Data requested are shipments, new orders, unfilled orders, total inventory, materials and supplies, work-in-process, and finished goods. It is currently the only survey that provides broad-based monthly statistical data on the economic conditions in the domestic manufacturing sector. It is designed to measure current industrial activity and to provide an indication of future production commitments.

This survey provides an essential part of the current economic indicators needed for assessing the evolving status of the economy and formulating economic policy. The Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) has designated this survey as a principal federal economic indicator. The shipments and inventory data are essential inputs to the gross domestic product (GDP), while the orders data are direct inputs to the leading economic indicator series. The GDP and the economic indicator series would be incomplete without these data. The survey also provides valuable and timely domestic manufacturing data for economic planning and analysis to business firms, trade associations, research and consulting agencies, and the academia.

*Affected Public:* Business or other for-profit.

*Frequency:* Monthly.

*Respondent's Obligation:* Voluntary.

*Legal Authority:* Title 13 U.S.C., Sections 131 & 182.
