

SUPPLEMENTARY INFORMATION: The primary purpose of the GMT working meeting is to plan the GMT's annual schedule and strategies to effectively aid the Council in managing 2003 West Coast groundfish fisheries and Council initiatives expected to arise in 2003. Additionally, the GMT will discuss groundfish management measures in place for the winter and spring months, respond to assignments relating to implementation of the Council's groundfish strategic plan, consider technical aspects of draft stock rebuilding plans and analyses, and address other assignments relating to groundfish management.

Although nonemergency issues not contained in this agenda may come before the GMT for discussion, those issues may not be the subject of formal GMT action during this meeting. GMT action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice requiring emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the GMT's intent to take final action to address the emergency.

CONSUMER PRODUCT SAFETY COMMISSION

Submission for OMB Review; Comment Request—Flammability Standards for Children's Sleepwear

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: In the **Federal Register** of October 29, 2002 (67 FR 65958), the Consumer Product Safety Commission published a notice in accordance with provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) to announce the agency's intention to seek extension of approval of collections of information in the flammability standards for children's sleepwear and implementing regulations. No comments were received in response to that notice. By publication of this notice, the Commission announces that it has submitted to the Office of Management and Budget (OMB) a request for extension of approval of those collections of information without change for three years from the date of approval.

The standards and regulations are codified as the Flammability Standard for Children's Sleepwear: Sizes 0 Through 6X, 16 CFR part 1615; and the Flammability Standard for Children's Sleepwear: Sizes 7 Through 14, 16 CFR part 1616. The flammability standards and implementing regulations prescribe requirements for testing and recordkeeping by manufacturers and importers of children's sleepwear subject to the standards. The information in the records required by the regulations allows the Commission to determine if items of children's sleepwear comply with the applicable standard. This information also enables the Commission to obtain corrective actions if items of children's sleepwear fail to comply with the applicable standard in a manner which creates a substantial risk of injury.

Additional Information About the Request for Reinstatement of Approval of Collections of Information

Agency address: Consumer Product Safety Commission, Washington, DC 20207.

Title of information collection: Standard for the Flammability of Children's Sleepwear: Sizes 0 Through 6X, 16 CFR Part 1615; Standard for the Flammability of Children's Sleepwear: Sizes 7 Through 14, 16 CFR Part 1616.

Type of request: Extension of approval without change.

General description of respondents: Manufacturers and importers of children's sleepwear in sizes 0 through 14.

Estimated number of respondents: 53.
Estimated average number of hours per respondent: 6,000 per year.

Estimated number of hours for all respondents: 318,000 per year.

Estimated cost of collection for all respondents: \$9,550,000 per year.
