

II. FY 2003 Operating Assistance for Eligible 1990 Census Nonurbanized Areas

Section 2707 of Title II, Chapter 7 of Public Law 108–11 states: “Notwithstanding any other provision of law, funds made available under the heading “Federal Transit Administration Formula Grants” for fiscal year 2003 shall be available to finance the operating cost of equipment and facilities for use in public transportation in an urbanized area with a population of at least 200,000 as determined under the 2000 Federal decennial census of population for a portion of the area that was not designated as an urbanized area as determined under the 1990 Federal decennial census of population if that portion of the area received assistance under section 5311 of title 49, United States Code.”

A grant applicant for an area eligible to receive operating assistance under this provision that wants to make use of this provision must so state in the grant application. The application must identify the previously nonurbanized portion of the urbanized area that qualifies (*i.e.*, that portion of the area that was not designated as urbanized under the 1990 census and received assistance under section 5311). Please contact the appropriate FTA regional office for additional information or guidance if you intend to make use of this provision.

III. Section 336 of FY 2003 DOT Appropriations Act Amended

Section 336 of FY 2003 DOT Appropriations Act directed that the city of Norman, OK shall be considered part of the Oklahoma City Transportation Management Area. Section 2701 of Title II, Chapter 7 of Public Law 108–11 amends Section 336 of the FY 2003 DOT Appropriations Act by striking “Transportation Management” and inserting “Urbanized” in lieu thereof. In the table on page 11911 of the FTA Fiscal Year 2003 Apportionments, Allocations and Program Information, Notice, published March 12, 2003, the reference to Oklahoma City, OK and Norman, Oklahoma are no longer appropriate and should be deleted.

IV. Section 626 of Title VI, Public Law 108–7 Amended

Section 626 of Title VI, Public Law 108–7 provides that “Any amounts previously appropriated for the Port of Anchorage for an intermodal marine facility and access thereto shall be transferred to and administered by the

Administrator for Maritime Administration * * *.” Section 2709 of Title II, Chapter 7 of Public Law 108–11 amends Section 626 by striking ‘previously.’ Accordingly, FY 2002 and FY 2003 Section 5309 Bus and Bus-Related allocations for the Port of Anchorage Intermodal Facility project will be transferred to the Maritime Administration.
