

in T. 6 North, Range 71 West, Sixth Principal Meridian, Group 632, Colorado, was accepted November 21, 2002.

These plats, surveys and amended field notes, were requested by the Forest Service for administrative and management purposes.

The plat representing the dependent resurvey and survey in section 26, Township 1 South, Range 83 West, Sixth Principal Meridian, Group 1319, Colorado, was accepted October 7, 2002.

The plat representing the dependent resurvey and survey, in Township 13 South, Range 98 West, Sixth principal Meridian, Group 1271, was accepted October 8, 2002.

The plat representing the dependent resurvey and survey in Township 50 North, Range 20 West, New Mexico Principal Meridian, Group 1360, Colorado, was accepted October 8, 2002.

The plat representing the dependent resurvey and survey in Township 3 South, Range 84 West, Sixth Principal Meridian, Group 1327, was accepted October 24, 2002.

The plat representing the dependent resurvey and survey in Township 3 South, Range 85 West, Sixth Principal Meridian, Group 1327, was accepted October 24, 2002.

The plat representing the dependent resurvey and survey in Township 3 North, Range 80 West, Sixth Principal Meridian, Group 1348, was accepted November 14, 2002.

The plat representing the dependent resurvey and survey in Township 14 South, Range, 103 West, Sixth Principal Meridian, Group 1291, Colorado, was accepted December 10, 2002.

The plat representing the entire record of the remonumentation of certain original corners, in Township 17 South, Range 68 West, Sixth Principal Meridian, Group 750, Colorado, was accepted December 18, 2002.

The plat representing the entire record of the remonumentation of certain original corners, in Township 16 South, Range 72 West, Sixth Principal Meridian, Group 750, Colorado, was accepted December 18, 2002.

The plat representing the entire record of the remonumentation of certain original corners, in Township 16 South, Range 73 West, Sixth Principal Meridian, Group 750, Colorado, was accepted December 18, 2002.

The amended field notes, correcting the description of ties, to local bearing trees, at the closing corner of Townships 50 and 51 North, Range 20 West, New Mexico Principal Meridian, Group 1360, Colorado, was accepted November 20, 2002.

These plats, surveys and amended field notes, were requested by the Bureau of Land Management for administrative and management purposes.

## DEPARTMENT OF THE INTERIOR

### Bureau of Reclamation

#### Folsom Lake State Recreation Area General Plan/Resource Management Plan, California

**AGENCY:** Bureau of Reclamation, Interior (Reclamation).

**ACTION:** Notice of Intent to prepare an environmental impact report /environmental impact statement (EIS/EIR).

**SUMMARY:** The U.S. Bureau of Reclamation (Reclamation) in partnership with the California Department of Parks and Recreation (CDPR) intend to prepare a General Plan/Resource Management Plan (GP/RMP) for the Folsom Lake State Recreation Area (including Lake Natoma and the Folsom Powerhouse State Historic Park). This planning activity encompasses approximately 18,000 acres of publicly accessible land/water owned by Reclamation and managed by the CDPR's Gold Fields District. The GP/RMP will be the primary management document for the park unit, providing a defined purpose, vision, long term-goals, and management guidelines. It will be used by CDPR as a framework for guiding decision-making related to the future development potential, ongoing management, resource conservation, and public use of the Folsom Lake State Recreation Area (Folsom Lake SRA). CDPR and Reclamation will prepare a joint EIR/EIS on the management actions and elements included in the GP/RMP.

**DATES:** A total of three regional workshops will be conducted to solicit public input at each phase of the planning process. The first public workshop was held on November 20, 2002 from 7 p.m. to 9:30 p.m. in Folsom, California.

This workshop, and other upcoming ones, will be used to solicit community input on local issues, concerns and aspirations as they relate to the Folsom Lake SRA. The information will be used to help form the definition of the goals/objectives of the GP/RMP, analysis of

opportunities and constraints, and scope of subsequent planning and design efforts. The workshops will also serve as the public scoping meetings for preparation of the EIR/EIS, identifying the range and scope of issues to be addressed in the environmental assessment documents.

A second public workshop is planned for March/April 2003. At this time, the public will have the opportunity to further define their issues, concerns and aspirations, as well as consider and comment on developed alternative park unit improvement and conservation scenarios. At a third public workshop, tentatively scheduled for January 2004, plan proposals for land use, resource management, circulation and facilities will be presented for review and evaluation.

These public meetings will be announced through the local news media, newsletters, and the CDPR Web site (<http://www.parks.ca.gov>) at least 15 days prior to the event. Comments on issues and planning criteria may be submitted in writing to the address listed below.

**ADDRESSES:** The first meeting was held at Folsom Middle School, 500 Blue Ravine Road, Folsom, CA 95630. Locations for the other two meetings are not yet determined.

Written comments should be sent to Folsom Lake Plan Update c/o Wallace Roberts & Todd, LLC, 1328 Mission Street, Fourth Floor, San Francisco, CA 94103 or email: [folsomlakeplanupdate@sf.wrttdesign.com](mailto:folsomlakeplanupdate@sf.wrttdesign.com).

**FOR FURTHER INFORMATION CONTACT:** Jim Micheaels, Associate Park and Recreation Specialist, Gold Fields District, 7806 Folsom-Auburn Road, Folsom, California 95630, phone (916) 988-0513; or Mike Petrinovich, Resource Manager, U.S. Bureau of Reclamation, Central California Area Office, Folsom, CA 95639, phone (916) 989-7276.

**SUPPLEMENTARY INFORMATION:** CDPR first entered into an agreement with Reclamation in 1956 to manage recreation facilities at Folsom Lake and Lake Natoma. The area was later designated as Folsom Lake SRA. Most of the lands around both lakes are owned by Reclamation and managed by CDPR. With approximately 2.5 million visitors annually, Folsom Lake SRA is one of the most popular and heavily visited units within the California State Park System. Lake Natoma and portions of the popular 32-mile American River Bike Trail are a part of the unit.

The current GP for Folsom Lake SRA was completed in 1979. The plan currently being developed will also
