

easement will grant to the United States, through NRCS, its successors or assigns, a right of access to the easement area.

(f) The cooperating entity shall acquire, hold, manage and enforce the easement. The cooperating entity may have the option to enter into an agreement with governmental or private organizations to carry out easement stewardship responsibilities if approved by NRCS.

(g) Prior to fund disbursement, NRCS must sign the conservation easement, concurring with the terms of the conservation easement and accepting its interest in the conservation easement deed.

(h) All conservation easement deeds acquired with FRPP funds must be recorded. Proof of recordation shall be provided to NRCS by the cooperating entity.

§ 1491.23 Easement modifications.

(a) After an easement has been recorded, no amendments to the easement will be made without prior approval by NRCS State Conservationist and the USDA Office of General Counsel.

(b) Easement modifications will be approved only when easement is duly prepared and recorded in conformity with standard real estate practices, including requirements for title approval, subordination of liens, and recordation, and when the amendment is consistent with the purposes of the conservation easement.

Subpart C—General Administration

§ 1491.30 Violations and remedies.

(a) In the event of a violation of the terms of the easement, the cooperating entity shall notify the landowner. The landowner may be given reasonable notice and, where appropriate, an opportunity to voluntarily correct the violation in accordance with the terms of the conservation easement.

(b) In the event that the cooperating entity fails to enforce any of the terms of the easement as determined in the sole discretion of the Secretary, the Secretary and his or her successors and assigns shall have the right to enforce the terms of the easement through any and all authorities available under Federal or State law. In the event that the cooperating entity attempts to terminate, transfer, or otherwise divest itself of any rights, title, or interests of the easement or extinguish the easement or without the prior consent of the Secretary and payment of consideration to the United States, then, at the option of the Secretary, all right, title, and interest in the conservation easement

shall become vested in the United States of America.

(c) Notwithstanding paragraph (a) of this section, NRCS, upon notification to the landowner, reserves the right to enter upon the easement area at any time to monitor conservation plan implementation or remedy deficiencies or easement violations, as it relates to the conservation plan. The entry may be made at the discretion of NRCS when the actions are deemed necessary to protect highly erodible soils and wetland resources. The landowner will be liable for any costs incurred by the United States as a result of the landowner's negligence or failure to comply with the easement requirements as it relates to conservation plan violations.

(d) The United States shall be entitled to recover any and all administrative and legal costs, including attorney's fees or expenses, associated with any enforcement or remedial action as it relates to the enforcement of the FRPP easement.

(e) The conservation easement shall include an indemnification clause requiring landowners to indemnify, defend, and hold harmless the United States from any liability resulting from the negligent acts of the landowner.

(f) In instances where an easement is terminated or extinguished, NRCS will collect CCC's share of the conservation easement based on the appraised fair market value of the conservation easement at the time the easement is extinguished or terminated. CCC's share shall be in proportion to its percentage of original investment.

§ 1491.31 Appeals.

(a) A person or cooperating entity which has submitted an FRPP proposal and is therefore participating in FRPP may obtain a review of any administrative determination concerning eligibility for participation utilizing the administrative appeal regulations provided in 7 CFR part 614.

(b) Before a person may seek judicial review of any action taken under this part, the person must exhaust all administrative appeal procedures set forth in paragraph (a) of this section, and for the purposes of judicial review, no decision shall be a final agency action except a decision of the U. S. Department of Agriculture under these provisions.

§ 1491.32 Scheme or device.

(a) If it is determined by the Secretary that a cooperating entity has employed a scheme or device to defeat the purposes of this part, any part of any program payment otherwise due or paid

such a cooperating entity during the applicable period may be withheld or be required to be refunded with interest thereon, as determined appropriate by CCC.

(b) A scheme or device includes, but is not limited to, coercion, fraud, misrepresentation, depriving any other person or entity of payments for easements for the purpose of obtaining a payment to which a person would otherwise not be entitled.

Signed in Washington, DC, on May 8, 2003.

Bruce I. Knight,

Vice President, Commodity Credit Corporation and Chief, Natural Resources Conservation Service.

Airworthiness Directives; GE Aircraft Engines CT7-9B Turboprop Engines

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule; request for comments.

SUMMARY: This document publishes in the **Federal Register** an amendment adopting Airworthiness Directive (AD) 2003-08-52 that was sent previously to all known U.S. owners and operators of GE Aircraft Engines (GEAE) CT7-9B turboprop engines. This AD requires rigging the compressor variable geometry (VG) to VG schedule N. This AD is prompted by reports of 12 compressor stall events that occurred over a six-month period. The actions specified in this AD are intended to prevent a dual-engine in-flight shutdown or power loss due to a compressor stall during deceleration from takeoff power to climb power.

DATES: Effective June 2, 2003, to all persons except those persons to whom it was made immediately effective by emergency AD 2003-08-52, issued on April 15, 2003, which contained the requirements of this amendment. The Director of the Federal Register approved the incorporation by reference of certain publications listed in the regulations as of June 2, 2003.

We must receive any comments on this AD by July 15, 2003.
