

any issues relating to the audit; Provided that the appropriate agent or employee of the Licensee reasonably cooperates with the auditor to remedy promptly any factual errors or clarify any issues raised by the audit.

(g) *Costs of the verification procedure.* The Designated Agent shall pay the cost of the verification procedure, unless it is finally determined that there was an underpayment of 10% or more, in which case the Licensee shall, in addition to paying the amount of any underpayment, bear the reasonable costs of the verification procedure.

§ 262.7 Verification of royalty payments.

(a) *General.* This section prescribes procedures by which any Copyright Owner or Performer may verify the royalty payments made by the Designated Agent; Provided, however, that nothing contained in this section shall apply to situations where a Copyright Owner or a Performer and the Designated Agent have agreed as to proper verification methods.

(b) *Frequency of verification.* A Copyright Owner or a Performer may conduct a single audit of the Designated Agent upon reasonable notice and during reasonable business hours, during any given calendar year, for any or all of the prior 3 calendar years, but no calendar year shall be subject to audit more than once.

(c) *Notice of intent to audit.* A Copyright Owner or Performer must file with the Copyright Office a notice of intent to audit the Designated Agent, which shall, within 30 days of the filing of the notice, publish in the **Federal Register** a notice announcing such filing. The notification of intent to audit shall be served at the same time on the Designated Agent. Any such audit shall be conducted by an independent and qualified auditor identified in the notice, and shall be binding on all Copyright Owners and Performers.

(d) *Acquisition and retention of records.* The Designated Agent shall use commercially reasonable efforts to obtain or to provide access to any relevant books and records maintained by third parties for the purpose of the audit and retain such records for a period of not less than 3 years. The Copyright Owner or Performer requesting the verification procedure shall retain the report of the verification for a period of not less than 3 years.

(e) *Acceptable verification procedure.* An audit, including underlying paperwork, which was performed in the ordinary course of business according to generally accepted auditing standards by an independent and qualified auditor, shall serve as an acceptable

verification procedure for all parties with respect to the information that is within the scope of the audit.

(f) *Consultation.* Before rendering a written report to a Copyright Owner or Performer, except where the auditor has a reasonable basis to suspect fraud and disclosure would, in the reasonable opinion of the auditor, prejudice the investigation of such suspected fraud, the auditor shall review the tentative written findings of the audit with the appropriate agent or employee of the Designated Agent in order to remedy any factual errors and clarify any issues relating to the audit; Provided that the appropriate agent or employee of the Designated Agent reasonably cooperates with the auditor to remedy promptly any factual errors or clarify any issues raised by the audit.

(g) *Costs of the verification procedure.* The Copyright Owner or Performer requesting the verification procedure shall pay the cost of the procedure, unless it is finally determined that there was an underpayment of 10% or more, in which case the Designated Agent shall, in addition to paying the amount of any underpayment, bear the reasonable costs of the verification procedure.

§ 262.8 Unclaimed funds.

If a Designated Agent is unable to identify or locate a Copyright Owner or Performer who is entitled to receive a royalty payment under this part, the Designated Agent shall retain the required payment in a segregated trust account for a period of 3 years from the date of payment. No claim to such payment shall be valid after the expiration of the 3-year period. After the expiration of this period, the Designated Agent may apply the unclaimed funds to offset any costs deductible under 17 U.S.C. 114(g)(3). The foregoing shall apply notwithstanding the common law or statutes of any State.

Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; NO_x RACT Determinations for Lafayette College

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the Commonwealth of Pennsylvania to establish and require reasonably available control technology (RACT) requirements for Lafayette College, Easton Campus. Lafayette College, Easton Campus, is a major source of nitrogen oxides (NO_x) located in Northampton County, Pennsylvania. In the Final Rules section of this **Federal Register**, EPA is approving the Commonwealth's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this action, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.

DATES: Comments must be received in writing by June 19, 2003.

ADDRESSES: Written comments should be addressed to Makeba Morris, Acting Branch Chief, Air Quality Planning and Information Services Branch, Mailcode 3AP21, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103. Copies of the documents relevant to this action are available for public inspection during normal business hours at the Air Protection Division, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103; and the Pennsylvania Department of Environmental Resources, Bureau of Air Quality Control, PO Box 8468, 400 Market Street, Harrisburg, Pennsylvania 17105.
