

of this Agreement or by such other proceedings in law or equity, in either Federal or State courts, as may be deemed necessary by Grantor to assure compliance with the provisions of this Agreement and the laws and regulations under which this grant is made.

J. Provide a Financial Management System for the Value-Added Research that includes:

1. Accurate, current and complete disclosure of the financial results of each grant. Financial reporting will be on an accrual or cash basis.

2. Records that identify adequately the source and application of funds for grant-supported activities. Those records shall contain information pertaining to grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays and income.

3. Effective control over and accountability for all funds, property and other assets. Grantees shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes.

4. Accounting records supported by source documentation.

K. Retain financial records, supporting documents, statistical records and all other records pertinent to the grant for a period of at least three years after grant closing except that the records shall be retained beyond the three-year period if audit findings have not been resolved. Microfilm or photo copies or similar methods may be substituted in lieu of original records. The Grantor and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the Grantee's that are pertinent to the specific grant program for the purpose of making audits, examinations, excerpts and transcripts.

L. Provide either an audit report, annual financial statements or other documentation prepared in accordance with Grantor regulations to allow the Grantor to determine that funds have been used in compliance with the approved Proposal, any applicable laws and regulations and this Agreement.

M. Agree to account for and to return to Grantor interest earned on grant funds pending their disbursement for program purposes.

N. Not provide services that are duplicative of other program purposes, for which monies have been received, are committed, or are applied to from other sources (public or private).

O. Will meet the following performance goals for the Value-Added Research by the dates specified:

[To be determined by Grantor after consideration of the performance measures suggested by the Grantee in the Proposal. This may be combined with the deliverable schedule in item C.]

Grantor agrees that it:

A. Will make available to Grantee for the purpose of this Agreement funds not to exceed \$300,000 that the Grantor will advance on a reimbursement basis in accordance with 7 CFR 3019.22. The funds will be reimbursed based on Grantee's submission of Form SF-270.

B. At its sole discretion and at any time may give any consent, deferment,

subordination, release, satisfaction, or termination of any or all of Grantee's grant obligations, with or without valuable consideration, upon such terms and conditions as Grantor may determine to be (1) advisable to further the purpose of the grant or to protect Grantor's financial interest therein and (2) consistent with both the statutory purposes of the grant and the limitations of the statutory authority under which it is made.

Termination of this Agreement:

This Agreement may be terminated for cause in the event of default on the part of the Grantee or for convenience of the Grantor and Grantee prior to the date of completion of grant purpose. Termination for convenience will occur when both the Grantee and Grantor agree that the continuation of the Value-Added Research will not produce beneficial results commensurate with the further expenditure of funds.

*In witness whereof*, Grantee has this day authorized and caused this Agreement to be executed
