

shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) <sup>12</sup> of the Act and Rule 19b-4(f)(6) <sup>13</sup> thereunder.<sup>14</sup>

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Phlx seeks to have the proposed rule change become operative immediately upon filing so that the Exchange may remain competitive with other exchanges with similar rules in effect.

The Commission, consistent with the protection of investors and the public interest, has determined to waive the 30-day operative date and make the proposed rule change operative immediately upon filing, in order to allow the Phlx to compete for broker-dealer orders by removing any distinction between broker-dealer and customer orders with respect to the size for which the Exchange is firm at its disseminated price and the Exchange's guaranteed AUTO-X size.<sup>15</sup> At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed

rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-Phlx-2003-18 and should be submitted by May 5, 2003.
