

the restrictions specified in paragraphs (a)(16)(ii)(B) and (C) apply to vessels fishing in the GOM Grate Raised Footrope Trawl Exempted Whiting Fishery.

(B) The raised footrope trawl must be used without a sweep of any kind (chain, roller frame, or rockhopper). The drop chains must be a maximum of 3/8-inch (0.95 cm) diameter bare chain and must be hung from the center of the footrope and each corner (the quarter, or the junction of the bottom wing to the belly at the footrope). Drop chains must be at least 42 inches (106.7 cm) in length and must be hung at intervals of 8 ft (2.4 m) along the footrope from the corners to the wing ends.

(C) The raised footrope trawl net must have a rigid or semi-rigid grate

consisting of parallel bars of not more than 50 mm (1.97 inches) spacing that excludes all fish and other objects, except those that are small enough to pass between its bars into the codend of the trawl. The grate must be secured in the trawl, forward of the codend, in such a manner that it precludes the passage of fish or other objects into the codend without the fish or objects having to first pass between the bars of the grate. The net must have an outlet or hole to allow fish or other objects that are too large to pass between the bars of the grate to exit the net. The aftermost edge of this outlet or hole must be at least as wide as the grate at the point of attachment. The outlet or hole must extend forward from the grate toward the mouth of the net. A funnel of net

material is allowed in the lengthening piece of the net forward of the grate to direct catch towards the grate.

(iii) *Annual review.* On an annual basis, the Groundfish PDT will review data from this fishery, including sea sampling data, to determine whether adjustments are necessary to ensure that regulated species bycatch remains at a minimum. If the Groundfish PDT recommends adjustments to ensure that regulated species bycatch remains at a minimum, the Council may take action prior to the next season through the framework adjustment process specified in § 648.90(b), subject to the Administrative Procedures Act.
