The contractor (Boston University Medical Center) will assist EPA in data collection and analysis. EPA has contracted for a total of 400 professional hours. At an average rate of \$100 per hour, the total cost for the contractor is \$40,000 annually. Agency burden to manage this contract is estimated at 4 hours/month or 48 hours annually. The cost of this labor will be calculated based on a GS 12 Step 5 pay level (\$44.75/hour using the salary associated with this grade and step, multiplied by a benefits factor of 1.6¹⁶). Total hours (48) multiplied by \$44.75 per hour amounts to a total agency labor cost of \$2,196/per annum.

Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.
