

transactions pursuant to this exemption, unless the Asset Manager has provided the written information described below to the Independent Fiduciary of each plan participating in the Pooled Fund. The following information and materials (which may be provided electronically) shall be provided not less than 45 days prior to the Asset Manager's engaging in the covered transactions on behalf of the Pooled Fund pursuant to the exemption:

(1) A notice of the Pooled Fund's intent to purchase securities pursuant to this exemption and a copy of the notice of proposed exemption and of the final exemption, if granted, as published in the **Federal Register**;

(2) Any other reasonably available information regarding the covered transactions that the Independent Fiduciary requests; and

(3) A termination form expressly providing an election for the Independent Fiduciary to terminate the plan's investment in the Pooled Fund without penalty to the plan. Such form shall include instructions specifying how to use the form. Specifically, the instructions will explain that the plan has an opportunity to withdraw its assets from the Pooled Fund for a period at least 30 days after the plan's receipt of the initial notice described in subparagraph (1) above and that the failure of the Independent Fiduciary to return the termination form by the specified date shall be deemed to be an approval by the plan of its participation in covered transactions as a Pooled Fund investor. Further, the instructions will identify the Asset Manager and its Affiliated Broker-Dealer and/or Affiliated Trustee and state that this exemption may be unavailable unless the Independent Fiduciary is, in fact, independent of those persons. Such fiduciary must advise the Asset Manager, in writing, if it is not an "independent Fiduciary," as that term is defined in section II(g) of this exemption.

For purposes of this paragraph, the requirement that the authorizing fiduciary be independent of the Asset Manager shall not apply in the case of an in-house plan sponsored by the Applicants or an affiliate thereof. However, in-house plans must notify the Asset Manager, as provided above.

(l) In the case of a plan whose assets are proposed to be invested in a Pooled Fund subsequent to implementation of the procedures to engage in the covered transactions, the plan's investment in the Pooled Fund is subject to the prior written authorization of an Independent Fiduciary, following the receipt by the Independent Fiduciary of the materials described in subparagraphs (1) and (2)

of paragraph (k). For purposes of this paragraph, the requirement that the authorizing fiduciary be independent of the Asset Manager shall not apply in the case of an in-house plan sponsored by the Applicants or an affiliate thereof.

(m) Subsequent to an Independent Fiduciary's initial authorization of a plan's investment in a Pooled Fund that engages in the covered transactions, the Asset Manager will continue to be subject to the requirement to provide any reasonably available information regarding the covered transactions that the Independent Fiduciary requests.

(n) At least once every three months, and not later than 45 days following the period to which such information relates, the Asset Manager shall:

(1) Furnish the Independent Fiduciary of each single Client Plan, and of each plan investing in a Pooled Fund, with a report (which may be provided electronically) disclosing all securities purchased on behalf of that Client Plan or Pooled Fund pursuant to the exemption during the period to which such report relates, and the terms of the transactions, including:

(i) The type of security (including the rating of any debt security);

(ii) The price at which the securities were purchased;

(iii) The first day on which any sale was made during this offering;

(iv) The size of the issue;

(v) The number of securities purchased by the Asset Manager for the specific Client Plan or Pooled Fund;

(vi) The identity of the underwriter from whom the securities were purchased;

(vii) In the case of an AUT, the spread on the underwriting;

(viii) In the case of an ATT, the basis upon which the Affiliated Trustee is compensated;

(ix) The price at which any such securities purchased during the period were sold; and

(x) The market value at the end of such period of each security purchased during the period and not sold;

(2) Provide to the Independent Fiduciary in the quarterly report (i) in the case of AUTs, a representation that the Asset Manager has received a written certification signed by an officer of the Affiliated Broker-Dealer, as described in paragraph (g)(2), affirming that, as to each AUT covered by this exemption during the past quarter, the Affiliated Broker-Dealer acted in compliance with section I, paragraphs (e), (f), and (g) of this exemption, and that copies of such certifications will be provided to the Independent Fiduciary upon request, and (ii) in the case of ATTs, a representation of the Asset

Manager affirming that, as to each ATT, the transaction was not part of an agreement, arrangement or understanding designed to benefit the Affiliated Trustee;

(3) Disclose to the Independent Fiduciary that, upon request, any other reasonably available information regarding the covered transactions that the Independent Fiduciary requests will be provided, including, but not limited to:

(i) The date on which the securities were purchased on behalf of the plan;

(ii) The percentage of the offering purchased on behalf of all Client Plans and Pooled Funds; and

(iii) The identity of all members of the underwriting syndicate;

(4) Disclose to the Independent Fiduciary in the quarterly report, any instance during the past quarter where the Asset Manager was precluded for any period of time from selling a security purchased under this exemption in that quarter because of its status as an affiliate of the Affiliated Broker-Dealer or of an Affiliated Trustee and the reason for this restriction;

(5) Provide explicit notification, prominently displayed in each quarterly report, to the Independent Fiduciary of a single Client Plan, that the authorization to engage in the covered transactions may be terminated, without penalty, by the Independent Fiduciary on no more than five days' notice by contacting an identified person; and

(6) Provide explicit notification, prominently displayed in each quarterly report, to the Independent Fiduciary of a Client Plan investing in a Pooled Fund, that the Independent Fiduciary may terminate investment in the Pooled Fund, without penalty, by contacting an identified person.

(o) Each single Client Plan shall have total net assets with a value of at least \$50 million. In addition, in the case of a transaction involving an Eligible Rule 144A Offering on behalf of a single Client Plan, each such Client Plan shall have at least \$100 million in securities, as determined pursuant to SEC rule 144A (17 CFR 230.144A).<sup>2</sup> In the case of

<sup>2</sup> SEC rule 10f-3(a)(4), 17 CFR 270.10f-3(a)(4), states that the term "Eligible Rule 144A Offering" means an offering of securities that meets the following conditions:

(i) The securities are offered or sold in transactions exempt from registration under section 4(2) of the Securities Act of 1933 (15 U.S.C. 77d(d)), rule 144A thereunder (§ 230.144A of this chapter), or rules 501–508 thereunder (§§ 230.501–230–508 of this chapter);

(ii) The securities are sold to persons that the seller and any person acting on behalf of the seller reasonably believe to include qualified institutional buyers, as defined in § 230.144A(a)(1) of this chapter; and
