

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, and the Exchange has provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to the filing date,¹⁰ the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if such action is consistent with the protection of investors and the public interest. The Amex has requested, in order to permit Amex rules to immediately take into account rules adopted by the Commission to implement provisions of the National Securities Market Improvement Act of 1996, that the Commission waive the 30-day operative date.¹⁴ The Commission believes waiving the 30-day operative date is consistent with the protection of investors and the public interest. For this reason, the Commission has determined to make the proposed rule change operative as of the date of this notice.¹⁵

At any time within 60 days of filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is

necessary of appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Amex. All submissions should refer to File No. SR-Amex-2003-43 and should be submitted by June 13, 2003.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.¹⁶

Jill M. Peterson,

Assistant Secretary.
