(d) *Special considerations.* (1) CHAMPUS and Medicare.—(i) General rule. In any case in which a beneficiary eligible for both Medicare and CHAMPUS receives medical or dental care for which payment may be made under Medicare and CHAMPUS, Medicare is always the primary payer. For dependents of active duty members, payment will be determined in accordance to paragraph (c) of this section. For all other beneficiaries eligible for Medicare, the amount payable by CHAMPUS shall be the amount of the actual out-of-pocket costs incurred by the beneficiary for that care over the sum of the amount paid for that care under Medicare and the total of all amounts paid or payable by third party payers other than Medicare.

(ii) *Payment limit.* The total CHAMPUS amount payable for care under paragraph (d)(1)(i) of this section may not exceed the total amount that would be paid under CHAMPUS if payment for that care was made solely under CHAMPUS.

(iii) *Application of general rule.* In applying the general rule under paragraph (d)(1)(i) of this section, the first determination will be whether payment may be made under Medicare. For this purpose, Medicare exclusions, conditions, and limitations will be based for the determination.

(A) For items or services or portions or segments of items or services for which payment may be made under Medicare, the CHAMPUS payment will be the amount of the beneficiary's actual out of pocket liability, minus the amount payable by Medicare, also minus amount payable by other third party payers, subject to the limit under paragraph (d)(1)(ii) of this section.

(B) For items or services or segments of items or services for which no payment may be made under Medicare, the CHAMPUS payment will be the same as it would be for a CHAMPUS eligible retiree, dependent, or survivor beneficiary who is not Medicare eligible.

(iv) *Examples of applications of general rule.* The following examples are illustrative. They are not all-inclusive.

(A) In the case of a Medicare-eligible beneficiary receiving typical physician office visit services, Medicare payment generally will be made. CHAMPUS payment will be determined consistent with paragraph (d)(1)(iii)(A) of this section.

(B) In the case of a Medicare-eligible beneficiary residing and receiving medical care overseas, Medicare payment generally may not be made. CHAMPUS payment will be determined consistent with paragraph (d)(1)(iii)(B) of this section.

(C) In the case of a Medicare-eligible beneficiary receiving skilled nursing facility services a portion of which is payable by Medicare (such as during the first 100 days) and a portion of which is not payable by Medicare (such as after 100 days), CHAMPUS payment for the first portion will be determined consistent with paragraph (d)(1)(iii)(A) of this section and for the second portion consistent with paragraph (d)(1)(iii)(B) of this section.

(v) *Application of catastrophic cap.* Only in cases in which CHAMPUS payment is determined consistent with paragraph (d)(1)(iii)(B) of this section, actual beneficiary out of pocket liability remaining after CHAMPUS payments will be counted for purposes of the annual catastrophic loss protection, set forth under Sec. 199.4(f)(10). When a family has met the cap, CHAMPUS will pay allowable amounts for remaining covered services through the end of that fiscal year.

(vi) *Effect of enrollment in Medicare+Choice plan.* In the case of a beneficiary enrolled in a Medicare+Choice plan who receives items or services for which payment may be made under both the Medicare+Choice plan and CHAMPUS, a claim for the beneficiary's normal out-of-pocket costs under the Medicare+Choice plan may be submitted for CHAMPUS payment. However, consistent with paragraph (c)(4) of this section, out-of-pocket costs do not include costs associated with unauthorized out-of-system care or care otherwise obtained under circumstances that result in a denial or limitation of coverage for care that would have been covered or fully covered had the beneficiary met applicable requirements and procedures. In such cases, the CHAMPUS amount payable is limited to the amount that would have been paid if the beneficiary had received care covered by the Medicare+Choice plan.

(vii) *Effect of other double coverage plans, including medigap plans.* CHAMPUS is second payer to other third-party payers of health insurance, including Medicare supplemental plans.

(viii) *Effect of employer-provided insurance.* In the case of individuals with health insurance due to their current employment status, the employer insurance plan shall be first payer, Medicare shall be the second

payer, and CHAMPUS shall be the tertiary payer.

■ 5. Section 199.10 is amended by revising paragraph (a)(1)(ii) to read as follows:

**§ 199.10. Appeal and hearing procedures.**

(a) \* \* \*

(1) \* \* \*

(ii) *Effect of initial determination.*

(A) The initial determination is final unless appealed in accordance with this chapter, or unless the initial determination is reopened by the TRICARE Management Activity, the CHAMPUS contractor, or the CHAMPUS peer review organization.

(B) An initial determination involving a CHAMPUS beneficiary entitled to Medicare Part A, who is enrolled in Medicare Part B, may be appealed by the beneficiary or their provider under this section of this Part only when the claimed services or supplies are payable by CHAMPUS and are not payable under Medicare. Both Medicare and CHAMPUS offer an appeal process when a claim for healthcare services or supplies is denied and most healthcare services and supplies are a benefit payable under both Medicare and CHAMPUS. In order to avoid confusion on the part of beneficiaries and providers and to expedite the appeal process, services and supplies denied payment by Medicare will not be considered for coverage by CHAMPUS if the Medicare denial of payment is appealable under Medicare. Because such claims are not considered for payment by CHAMPUS, there can be no CHAMPUS appeal. If, however, a Medicare claim or appeal results in some payment by Medicare, the services and supplies paid by Medicare will be considered for payment by CHAMPUS. In that situation, any decision to deny CHAMPUS payment will be appealable under this section. The following examples of CHAMPUS appealable issues involving Medicare-eligible CHAMPUS beneficiaries are illustrative; they are not all-inclusive.

(1) If Medicare processes a claim for a healthcare service or supply that is a Medicare benefit and the claim is denied by Medicare for a patient-specific reason, the claim is appealable through the Medicare appeal process. The Medicare decision will be final if the claim is denied by Medicare. The claimed services or supplies will not be considered for CHAMPUS payment and there is no CHAMPUS appeal of the CHAMPUS decision denying the claim.

(2) If Medicare processes a claim for a healthcare service or supply that is a
