Fenthion; Notice of Receipt of Request to Voluntarily Cancel Certain Pesticide Registrations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In accordance with section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, EPA is issuing a notice of receipt of request by Bayer Environmental Science to voluntarily cancel the registrations for all of their products containing O,O-dimethyl O-(4-methylthio)-m-tolylphosphorothioate (fenthion). EPA intends to grant this request by issuing a cancellation order at the close of the comment period for this announcement unless the Agency receives substantive comments within the comment period that would merit its further review of this request. It is EPA's intent that the effective date of the cancellation order, as requested by Bayer, will be June 30, 2004. Upon the effective date of the cancellation order, any distribution or sale of products listed in this notice will be prohibited as of June 30, 2004, except for return of unused portions to Bayer or for proper disposal. EPA expects use of products listed in this notice will be permitted until November 30, 2004. Any such use must be in accordance with the label. Bayer has submitted, and EPA intends to approve, label amendments intended to further mitigate the risks of fenthion. Because Bayer has requested cancellation of the registrations of all of its fenthion products, Bayer is not required to satisfy the data requirements in any of the Agency's Data Call-Ins, including the Developmental Neurotoxicity Data Call-In.

DATES: Comments on the requested registration cancellations must be submitted to the address provided below and identified by docket ID number OPP-2003-0122. Comments must be received on or before July 29, 2003.

ADDRESSES: Comments may be submitted electronically, by mail, or by hand delivery or courier. Please follow the detailed instructions for each method as provided in Unit I.C. of the **SUPPLEMENTARY INFORMATION**. To ensure proper receipt by EPA, it is imperative that you identify docket ID number OPP-2003-0122 in the subject line on the first page of your response.
