NSR Program Implementation Under the 8-hour Ozone Standard

For a nonattainment area in a State with a SIP that specifically lists the areas in which part D NSR applies, or in areas which currently have no nonattainment plan, there will be an interim period between the designation date and the date that the State amends its SIP either to list any new

nonattainment area(s) or to include a part D plan. During this interim period, part D NSR requirements are governed not by section 51.165, but by appendix S to part 51.

a. *What does appendix S require for nonattainment areas during the interim period?* In general, appendix S requires

new or modified major sources to meet LAER and obtain sufficient offsetting emissions reductions to assure that the new major source will not interfere with the area's progress toward attainment. (Readers should refer to 40 CFR part 51, appendix S for a complete understanding of these and other
