We will disclose the calculations used in our analysis to parties to this proceeding within five days of the date of publication of this notice. Any interested party may request a hearing within 30 days of publication of this notice. Any hearing, if requested, will be held on July 14, 2003.

Interested parties who wish to request a hearing or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, Room B-099, within 30 days of the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. See 19 CFR 351.310(c).

Issues raised in the hearing will be limited to those raised in case briefs and rebuttal briefs. Case briefs from interested parties may be submitted not later than June 30, 2003. Rebuttal briefs, limited to issues raised in the case briefs, will be due not later than July 7, 2003. Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument. Parties are also encouraged to provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited.

The Department will issue the final results of this new shipper review, including the results of its analysis of issues raised in any such written briefs or at the hearing, if held, not later than 90 days after the date of issuance of these preliminary results.

Assessment Rates

The Department shall determine, and the BCBP shall assess, antidumping duties on all appropriate entries. The Department will issue appropriate appraisement instructions for the companies subject to this review directly to the BCBP within 15 days of publication of the final results of this review. For assessment purposes, we do not have the actual entered value for either respondent for which we

calculated a margin because it is not the importer of record for the subject merchandise. Therefore, we calculated individual importer- or customer-specific assessment rates by aggregating the dumping margins calculated for all of the U.S. sales examined and dividing that amount by the total quantity of the sales examined. To determine whether the duty assessment rates are *de minimis* (i.e., at or above 0.50 percent), in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we have calculated importer- or customer-specific *ad valorem* ratios based on export prices. We will instruct the BCBP to assess antidumping duties on all appropriate entries covered by this review if any importer or customer-specific assessment rate calculated in the final results of this review is above *de minimis*.

Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments from Hengtai or Xumingyuan of brake rotors from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of the new shipper review. Furthermore, the following cash deposit requirements will be effective upon publication of the final results of the new shipper review for all shipments of subject merchandise from Hengtai or Xumingyuan entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) for subject merchandise manufactured and exported by Hengtai or Xumingyuan, no cash deposit will be required if the cash deposit rates calculated in the final results are zero or *de minimis*; and (2) for subject merchandise exported by Hengtai or Xumingyuan but not manufactured by them, the cash deposit will continue to be the PRC countrywide rate (i.e., 43.32 percent) made effective by the LTFV investigation. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper administrative review and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214.

Dated: May 27, 2003.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
