

Manufacturer and Exporter	POR	Margin (percent)
Wuhan Bee Healthy Co., Ltd.	12/01/01 - 05/31/02	9.66

For details on the calculation of the antidumping duty margin, *see* the Analysis Memorandum for the Preliminary Results of the Antidumping Duty New Shipper Review of Honey from the People's Republic of China, dated May 27, 2003. A public version of this memorandum is on file in the CRU.

Assessment Rates

Pursuant to section 351.212(b), the Department calculates an assessment rate for each importer of the subject merchandise. Upon issuance of the final results of this new shipper review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (i.e., at or above 0.5 percent), the Department will issue appraisal instructions directly to Customs to assess antidumping duties on appropriate entries by applying the assessment rate to the entered value of the merchandise. For assessment purposes, we calculated importer-specific assessment rates for the subject merchandise by aggregating the dumping duties due for all U.S. sales to each importer and dividing the amount by the total entered value of the sales to that importer. If these preliminary results are adopted in our final results of review, we will direct Customs to assess the resulting rate against the entered customs value for the subject merchandise on each of Wuhan's importer's/customer's entries during the POR.

Cash-Deposit Requirements

Wuhan may continue to post a bond or other security in lieu of cash deposits for each entry of subject merchandise produced and exported by Wuhan. Bonding will no longer be permitted to fulfill security requirements for Wuhan's shipments after publication of the final results of this new shipper review. The following cash-deposit rate will be effective upon publication of the final results of this new shipper review for all shipments of honey from the PRC entered, or withdrawn from warehouse, for consumption on or after publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for subject merchandise produced and exported by Wuhan, the cash-deposit rate will be that established in the final results of this review; (2) for all other subject merchandise exported by Wuhan, the cash-deposit rate will be the PRC country-wide rate, which is 183.80

percent; (3) for all other PRC exporters which have not been found to be entitled to a separate rate, the cash-deposit rate will be the PRC country-wide rate; and (4) for all non-PRC exporters of subject merchandise, the cash-deposit rate will be the rate applicable to the PRC exporter that supplied that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

The Department will issue the final results of this new shipper review, which will include the results of its analysis of issues raised in the briefs, within 90 days from the date of the preliminary results, unless the time limit is extended.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and this notice are published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: May 27, 2003.
