[Docket No. RCRA-2003-0012; FRL-7506-9]

Announcement of a Public Stakeholder Meeting on Management of Hazardous Waste in Research and/or Academic Laboratories

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of a public stakeholder meeting.

SUMMARY: EPA's Office of Solid Waste is holding a public meeting on Wednesday, June 18, 2003, to discuss issues associated with hazardous waste management in research and/or academic laboratories. The purpose of this meeting is to present our progress to date on issues specific to waste management in research and academic laboratories and solicit input from individual stakeholders on approaches to addressing these issues. A tentative agenda is available upon request. The following topics are planned for discussion: when/where to make a hazardous waste determination, waste labeling requirements, personnel training requirements, satellite accumulation, and types of treatment that are performed in laboratories. Interested parties may choose to attend the meeting or submit written comment. The Agency's goal is to improve the program to better protect human health and the environment through standards that are harmonious with the way laboratories operate.

DATES: The stakeholder meeting is scheduled for Wednesday, June 18 from 12 p.m. to 5 p.m. eastern time. Submit written comments on or before July 18.

ADDRESSES: EPA will hold the meeting in Washington, DC at EPA East (Conference Room 1153), 1201 Constitution Ave., NW. Interested parties also may participate via videoconferencing at the following locations:

1. North Chelmsford—EPA Region I Laboratory (Kennebunkport Room), 11 Technology Drive, North Chelmsford, MA 01863.

2. Chicago—EPA Region V Office (Lake Erie Conference Room), 77 W. Jackson Blvd., Chicago, IL 60604.

3. San Francisco—EPA Region IX Office (Conference Room R1915), 75 Hawthorne Street, San Francisco, CA 94105.

Comments may be submitted electronically, by mail, by facsimile, or through hand delivery/courier. Follow the detailed instructions as provided in Unit I.C. of the **SUPPLEMENTARY INFORMATION** section.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does This Meeting Apply To Me?

While the meeting is open to the public in general, the identified topics may be of particular interest to persons who work in research and/or academic laboratory settings or persons who are concerned about the implementation of the Resource Conservation and Recovery Act (RCRA) in these settings. Potentially interested parties may include but are not limited to: Government laboratories; research and development laboratories; academic laboratories; Federal, State and local regulators; academic institutions; non-governmental organizations; and trade associations representing environmental health and safety professionals at research and/or academic laboratories. If you have any questions regarding the applicability of this meeting to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Electronic Access to This Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under Docket ID No. RCRA-2003-0012. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the EPA Docket Center, (EPA/DC) EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open

from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Reading Room is (202) 566-1742, and the telephone number for the EPA Docket Center is (202) 566-0270.

2. *Electronic Access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>. An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket identification number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The
