### Synopsis

The Commission also has determined that, where applicable, the intrastate funding mechanisms of the listed states are labeled in a manner that promotes national understanding of TRS and does not offend the public, consistent with section 64.605(d) of the Commission's rules, 47 CFR 64.605(d).

Because the Commission may adopt changes to the rules governing relay programs, including state relay programs, the certification granted herein is conditioned on a demonstration of compliance with the new rules adopted and any additional new rules that are adopted by the Commission. The Commission will

provide guidance to the states on demonstrating compliance with such rule changes.

This certification, as conditioned herein, shall remain in effect for a five year period, beginning July 26, 2003, and ending July 25, 2008, pursuant to 47 CFR 64.605(c). One year prior to the expiration of this certification, July 25, 2007, the states may apply for renewal of their TRS program certification by filing documentation in accordance with the Commission's rules, pursuant to 47 CFR 64.605 (a) and (b).
