

they have a common Board and a common investment adviser or their investment advisers may be under common control. In addition, applicants submit that because an Investing Fund could acquire 5% or more of the outstanding voting shares of a Cash Management Fund, such Investing Fund might be deemed an affiliated person of the Cash Management Fund.

Accordingly, applicants state that the sale of shares of the Cash Management Fund to the Investing Funds, and the redemption of such shares by the Investing Funds, may be prohibited under section 17(a).

5. Section 17(b) of the Act authorizes the Commission to exempt a proposed transaction from section 17(a) of the Act if the terms of the proposed transaction, including the consideration to be paid or received, are fair and reasonable and do not involve overreaching on the part of any person concerned, the proposed transaction is consistent with the policies of each registered investment company involved, and with the general purposes of the Act. Section 6(c) of the Act provides, in part, that the Commission may exempt any person, security or transaction, or any class or classes of persons, securities or transactions, from any provision of the Act if, and to the extent that such exemption is necessary or appropriate in the public interest and is consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

6. Applicants submit that their request for relief to permit the purchase and redemption of Cash Management Fund shares by the Investing Funds satisfies the standards of sections 17(b) and 6(c) of the Act. Applicants state that the investment by the Investing Funds in shares of the Cash Management Funds will be on the same terms and on the same basis as any other shareholders, and that the consideration paid and received by the Investing Funds on the sale and redemption of shares of a Cash Management Fund will be based on the Cash Management Fund's net asset value per share. In addition, under the proposed transactions, the Investing Funds will retain their ability to invest their Cash Balances directly in money market instruments or short-term instruments as authorized by their respective investment objectives and policies, if they believe they can obtain a higher rate of return, or for any other reason. Applicants also state that each of the Cash Management Funds reserves the right to discontinue selling shares to any of the Investing Funds if the management of the Cash Management

Fund determines that such sales would adversely affect its portfolio management and operations.

7. Section 17(d) of the Act and rule 17d-1 thereunder prohibit an affiliated person of an investment company, acting as principal, from participating in or effecting any transaction in connection with any joint enterprise or joint arrangement in which the investment company participates, unless the Commission has issued an order authorizing the arrangement. Applicants state that each Investing Fund (by purchasing shares of the Cash Management Funds), each Adviser of an Investing Fund (by managing the assets of the Investing Funds invested in the Cash Management Funds), and each Cash Management Fund (by selling shares to and redeeming them from the Investing Funds) could be deemed to be participants in a joint enterprise or other joint arrangement within the meaning of section 17(d) of the Act and rule 17d-1 thereunder.

8. Rule 17d-1 permits the Commission to approve a proposed joint transaction covered by the terms of section 17(d) of the Act. In determining whether to approve a transaction, the Commission will consider whether the proposed transaction is consistent with the provisions, policies, and purposes of the Act, and the extent to which the participation is on a basis different from or less advantageous than that of other participants. Applicants submit that the proposed transactions meet these standards because the investments by the Investing Funds in shares of the Cash Management Funds will be on the same basis and will be indistinguishable from any other shareholder account maintained by the same class of the Cash Management Funds, and the transactions will be consistent with the Act.

Applicants' Conditions

Applicants agree that the order granting the requested relief shall be subject to the following conditions:

1. Shares of the Cash Management Funds sold to and redeemed by the Investing Funds will not be subject to a sales load, redemption fee, distribution fee adopted in accordance with rule 12b-1 under the Act, or service fee (as defined in rule 2830(b)(9) of the NASD Conduct Rules), or if such shares are subject to any such fee, the Adviser will waive its advisory fee for each Investing Fund in an amount that offsets the amount of such fees incurred by the Investing Fund.

2. Before the next meeting of the Board of an Investing Fund is held for purposes of voting on an advisory

contract under section 15 of the Act, the Adviser to the Investing Fund will provide the Board with specific information regarding the approximate cost to the Adviser of, or portion of the advisory fee under the existing advisory contract attributable to, managing the Uninvested Cash of the Investing Fund that can be expected to be invested in the Cash Management Funds. Before approving any advisory contract for an Investing Fund, the Board of the Investing Fund, including a majority of the Independent Trustees, shall consider to what extent, if any, the advisory fees charged to the Investing Fund by the Adviser should be reduced to account for reduced services provided to the Investing Fund by the Adviser as a result of Uninvested Cash being invested in the Cash Management Funds. The minute books of the Investing Fund will record fully the Board's considerations in approving the advisory contract, including the considerations relating to fees referred to above.

3. Each of the Investing Funds will invest Uninvested Cash in, and hold shares of, the Cash Management Funds only to the extent that the Investing Fund's aggregate investment of Uninvested Cash in the Cash Management Funds does not exceed 25 percent of the Investing Fund's total assets. For purposes of this limitation, each Investing Fund or series thereof will be treated as a separate investment company.

4. Investment of Cash Balances in shares of the Cash Management Funds will be in accordance with each Investing Fund's respective investment restrictions, if any, and will be consistent with each Investing Fund's policies as set forth in its prospectus and statement of additional information. No Investing Fund that relies on rule 2a-7 under the Act will invest in a Cash Management Fund that is not a Money Market Fund.

5. No Cash Management Fund shall acquire securities of any investment company in excess of the limits contained in section 12(d)(1)(A) of the Act.

6. Each Investing Fund and Cash Management Fund that may rely on the order shall be advised by the Adviser.

7. Before a Fund may participate in a Securities Lending Program, a majority of the Board, including a majority of the Independent Trustees, will approve the Fund's participation in the Securities Lending Program. Such trustees also will evaluate the securities lending arrangement and its results no less frequently than annually and determine that any investment of Cash Collateral
