

Page Limit: The application narrative (Part VI of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit Part VI to the equivalent of no more than 25 pages, using the following standards:

- A "page" is 8.5" x 11" on one side only, with 1" margins on the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12-point or larger or no smaller than 10 pitch (characters per inch).

In addition, you must limit Part VII (budget narrative) to four (4) pages and Part X (Appendices) to 15 pages, using the aforementioned standards. We will reject your application if you:

- You apply these standards and exceed the page limit; or
- You apply other standards and exceed the equivalent of the page limit.

Deadline for Transmittal of Applications: June 30, 2003.

Deadline for Intergovernmental Review: August 29, 2003.

Estimated Available Funds: \$24,318,750. Note: Under 34 CFR 75.225(c)(1), the Department will conduct a separate competition for an estimated \$8,106,250 in additional available funds. Only a "novice applicant," as that term is defined in 34 CFR 75.225(a-b), may apply for funds in that competition.

Range of Awards: \$300,000–\$500,000.

In previous grant competitions, applicants have routinely requested more money than the above award ranges dictate. As a result, plans submitted to the Department have included any number of activities that could only be made possible if an

applicant received a funding amount much higher than intended in the award range. Based on this experience, the Department will fund only those applications that correctly request funds within the award range specified in this notice. Therefore, applicants who request more than \$500,000 will be declared ineligible and will not receive funding.

Note: The size of awards will be based on a number of factors. These factors will include the scope, quality, and comprehensiveness of the proposed program, and the recommended range of awards indicated above.

Matching Requirement: Pursuant to section 5512(c) of ESEA, as amended by NCLB, Federal funds may not pay for more than 50 percent of total project costs. In order to apply for and receive a grant award under this competition, each applicant must furnish from nonfederal sources at last 50 percent of its total project costs. Applicants may satisfy this requirement in cash or in kind, fairly evaluated, including services.

Note: The U.S. Department of Education is not bound by any estimates in this notice.

Project Period: 12 months.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 85, 86, 97, 98 and 99 and (b) the regulations in the notice of final priorities, application requirements, and selection criteria for FY 2003 as published elsewhere in this issue of the **Federal Register**.

Priorities: This competition gives absolute and competitive priorities to applicants that meet the conditions outlined in the Notice of Final Priorities for this program, which is published elsewhere in this issue of the **Federal Register**.
