SUPPLEMENTARY INFORMATION:**A. Background**

The Councils propose the following changes:

1. FAR 31.205-6, at paragraph (k), Deferred compensation other than pensions, amend the cost principle by—
 - a. Deleting the first two sentences of paragraph (k)(l) which duplicate the definition of deferred compensation at

FAR 31.001, the third sentence of paragraph (k)(l) which duplicates requirements at FAR 31.205-6(a), and paragraph (k)(3) which is obsolete;

- b. Moving the fourth sentence of paragraph (k)(l) to (k)(2); and

- c. Changing the phrase "measured, allocated, and accounted for" in paragraph (k)(2) to "measured, assigned, and allocated" to be consistent with the language used in cost accounting standards; and

- d. Making related editorial changes.

2. FAR 31.205-6, at paragraph (o), Postretirement benefits other than pensions, amend the cost principle by—

- a. Moving (and revising) the language in paragraphs (o)(3) through (o)(5) to paragraph (o)(2)(iii) because these requirements only apply to accrual costing other than terminal funding;

- b. Adding language to the current paragraph (o)(6) (new paragraph (o)(3)) specifying how the contractor must handle refunds and credits; and

- c. Making related editorial changes.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Councils do not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because most contracts awarded to small entities use simplified acquisition procedures or are awarded on a competitive, fixed-price basis, and do not require application of the cost principle discussed in this rule. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite comments from small businesses and other interested parties. The Councils will consider comments from small entities concerning the affected FAR Parts 31 and 52 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 2001-031), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
