

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implication under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or safety that may disproportionately affect children.

Environment

The Coast Guard has considered the environmental impact of this action and has determined under figure 2-1, paragraph 34(g) Commandant Instruction M16475.1D, that this rule is categorically excluded from further environmental documentation.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that Order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Coast Guard CFR 33 CFR 165

[COTP Miami 03-073]

RIN 1625-AA00

Safety Zone; The Grand Opening Miami One, Miami, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary fixed safety zone in Biscayne Bay in Miami, FL. The safety zone is established to protect boaters from the hazards associated with the Grand Opening of Miami One fireworks display being held in Biscayne Bay in Miami. This rule is necessary to ensure safety of life on the navigable waters of the United States.

DATES: This safety zone is effective from 9 p.m. on June 5, 2003 until 10 p.m. on June 5, 2003.

ADDRESSES: Comments and material received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket COTP Miami 03-073 and are available for inspection or copying at Marine Safety Office Miami, 100 MacArthur Causeway, Miami Beach, FL 33139 between 8 a.m. and 4 p.m., Monday through Friday, except Federal Holidays.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553 (b)(B), the Coast Guard finds that good cause exists for not publishing a NPRM. Publishing a NPRM and delaying the rule's effective date is unnecessary and contrary to public safety because immediate action is necessary to protect the public and waters of the United States. Moreover, a NPRM is unnecessary due to the limited amount of time this rule will be in effect.

For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

Background and Purpose

The Coast Guard is establishing a temporary safety zone encompassing a 1300-foot circle surrounding a barge in approximate position 25°45.40 N, 080°10.24 W in Biscayne Bay in Miami for the Grand Opening of Miami One fireworks display. This rule is needed to increase safety in Miami from 9 p.m. June 5, 2003 to 10 p.m. on June 5, 2003 during the Grand Opening of Miami One fireworks display due to the significant number of vessels in the area for this event. The safety zone is created to provide for the safety of the spectator craft in the vicinity of Biscayne Bay in Miami, FL. Vessels are prohibited from anchoring, mooring, or transiting within this zone, unless authorized by the Captain of the Port Miami. The safety zone encompasses the area in Biscayne Bay in Miami, FL.

This regulation is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential cost
