Explanation of Revisions and Summary of Contents

1. Summary

Section 743(b) provides for an optional adjustment to the basis of partnership property following certain transfers of partnership interests. The amount of the basis adjustment is the difference between the transferee's basis in the partnership interest and the transferee's share of the partnership's basis in the partnership's assets. Once the amount of the basis adjustment is determined, it is allocated among the partnership's individual assets pursuant to section 755.
