FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Linda A. Smallwood at 301-827-3514 or Pearlina K. Muckelvene at 301-827-1281 at least 7 days in advance of the meeting. Persons attending FDA advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA regrets that it was unable to publish this notice 15 days prior to the Blood Products Advisory Committee meeting. Because the agency believes there is some urgency to bring these issues to public discussion and qualified members of the Blood Products Advisory Committee were available at this time, the Commissioner of Food and Drugs concluded that it was in the public interest to hold this meeting even if there was not sufficient time for the customary 15-day public notice.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: June 2, 2003.

William K. Hubbard,

Associate Commissioner for Policy and Planning.
