

to-Length Carbon Steel Plate from Ukraine; Notice of Preliminary Results of Administrative Review of the Suspension Agreement 67 FR 72916 (December 9, 2002). Currently, the final results in this administrative review are due on April 8, 2003. Pursuant to section 751(a)(3)(A) of the Tariff Act, the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the final results of the review within the normal statutory time limit. Due to the complexity of the issues present in this administrative review, including affiliated party sales, and because the Department must conduct verifications of several discreet entities, the Department determines it is not practicable to complete this review within the normal statutory time limit. Therefore, the Department is extending the time limits for completion of the final results until June 9, 2003, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

Dated: January 15, 2003.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930 ("the Act") requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively. The order in this review was published on June 5, 2000. (See *Notice of Amended Determination of Sales at Less than Fair Value and Antidumping Duty Order: Certain Non-frozen Apple Juice Concentrate from the PRC*, 65 FR 35606 (June 5, 2000)).

Background

On July 24, 2002, the Department published in the **Federal Register** the notice of initiation of the antidumping administrative review on certain non-frozen apple juice concentrate from the People's Republic of China (PRC). (See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 67 FR 48435 (July 24, 2002)). The preliminary results are currently due on March 2, 2003. On July 24, 2002, the Department also published in the **Federal Register** the notice of initiation of antidumping new shipper review on certain non-frozen apple juice concentrate from the People's Republic of China (PRC). (SEE NOTICE OF INITIATION OF ANTIDUMPING NEW SHIPPER REVIEW, 67 FR 48440 (July 24, 2002)). On July 26, 2002, Gansu Tongda Fruit Juice and Beverage Co., Ltd., the respondent in the new shipper review, submitted a letter consenting to alignment of the new shipper review with the 2001-2002 administrative review pursuant to 19 CFR 351.214(j)(3).

Extension of Time Limits for Preliminary Results

Due to the complexity of the issues involving surrogate selection and factor values, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, March 2, 2003). Therefore, in accordance with

section 751(a)(3)(A) of the Act, the Department is postponing the preliminary results of this administrative review for 120 days, until no later than June 30, 2003.

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 17, 2003.

Susan Kuhbach,

Acting Deputy Assistant Secretary for Import Administration.
