Submission for OMB Review; Comment Request

Title: (1) TANF Data Report, ACF-199; (2) SSP-MOE Data Report, ACF-209.

OMB No.: 0970-0199.

Description: States, the District of Columbia and certain U.S. territories are

required by 42 U.S.C. 611 and 45 CFR Part 265 to collect on a monthly basis and report to HHS on a quarterly basis a wide variety of disaggregated case record information for their programs funded under Temporary Assistance for Needy Families (TANF). If a respondent wants to qualify for a high performance bonus or receive a caseload reduction credit, the respondent must submit similar data for its separate state programs. A respondent may comply with these requirements by collecting and submitting case record information for its entire caseload or for a portion of the caseload that is obtained through the use of scientifically acceptable sampling methods. HHS collects the information electronically through the use of the TANF Data Report (ACF-199) and the SSP-MOE Data Report (ACF-209) and their associated TANF Sampling and Statistical Methods Manual. HHS is proposing to extend this information collection for another three years.
