

Answer: Yes. The same rules apply.

12. Short-Time Compensation Program

a. *Question:* Employers opted to participate in the state's short-time compensation (or worksharing program) or otherwise reduced workers' hours in lieu of lay offs. Would these situations be considered "qualifying separations" for TEUC-A purposes?

Answer: Yes, if the reduction in work hours or weeks by a qualifying employer was caused by one of the three qualifying reasons.

13. TEUC-A Benefit Funding

a. *Question:* Will TEUC-A be funded separately from TEUC?

Answer: No.

14. Reporting Requirements

a. *Question:* How will TEUC-A and AX claims and benefit activity be reported?

Answer: See the reporting instructions in UIPL 30-02, Change 2, Item 11.

b. *Question:* Must TEUC-A benefit activity be reported separately from other TEUC activity?

Answer: No. TEUC, TEUC-X, TEUC-A and TEUC-AX are all reported together on the TEUC reports. However, states are to report a breakout in the comments section of the ETA 5159 of the number of TEUC-A determinations and redeterminations. See reporting instructions in UIPL No. 30-02, Change 2, Item 11.

c. *Question:* Will nonmonetary determinations of "eligible individuals" for TEUC-A be reported on the ETA 207 as countable determinations?

Answer: Yes.

d. *Question:* Does the outcome of the "eligible individual" nonmonetary determination (eligible/not eligible) affect what type of issue is reported on the ETA TEUC-A 207 and would it be reported the same on all reports?

Answer: Whether or not the claimant is an "eligible individual" is a nonseparation nonmonetary determination reportable in the miscellaneous column of the TEUC-A ETA 207 regardless of the outcome of the determination. The TEUC-A ETA 207 is the only report where TEUC nonmonetary determinations will be reported.

e. *Question:* Is a separate SF-269 required for reporting TEUC-A administrative costs?

Answer: No. There is only one TEUC program. The TEUC-A and AX costs are included on the SF 269 for the TEUC program.

Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are

based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 27a) and of other Federal statutes referred to in 29 CFR part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determination frequently and in large volume causes procedures to be impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedes decisions thereto, contain no expiration dates and effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled

"General Wage Determinations Issued Under The Davis-Bacon And Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or government agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, NW., Room S-3014, Washington, DC 20210.

Supersedeas Decisions to General Wage Determination Decisions

The number of decisions being superseded and their date of notice in the **Federal Register** are listed with each State. Supersedeas decision numbers are in parentheses following the number of decisions being superseded.
