Executive Order 12988, Civil Justice Reform

Under Executive Order 12988, Utah State Office of BLM has determined that these supplementary rules will not unduly burden the judicial system and that they meet the requirements of sections 3(a) and 3(b)(2) of the Order.

Executive Order 13175, Consultation and Coordination With Indian Tribal Governments

In accordance with E.O. 13175, we have found that this final rule would not include policies that have tribal implications. The rule would not affect lands held for the benefit of Indians, Aleuts, and Eskimos. The rule would apply only to persons driving OHVs on certain public lands in Utah.

Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use

This rule is not a significant energy action. It will not have an adverse effect on energy supplies. It will have no discernible effect on the production or sale of energy minerals, and any effect on the consumption of such minerals, either in manufacturing OHV equipment or traveling to OHV areas, will be imperceptible, since the provision should not have a measurable effect on either activity.

Paperwork Reduction Act

These supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*
